Special Guests

Anthony & Shannen Braswell

Shannen Fields-Braswell is an award-winning actress, producer, content creator and inspirational speaker who coaches and mentors women on their faith journey. Anthony Braswell is a pastor, inspirational speaker, content creator and leadership coach. We lost our late spouses to terminal illnesses within 8 weeks of each other. We both made the decision to heal forward and make each day count. As we took those steps, God allowed our paths to cross and our new friendship quickly turned into our very own miraculous love story. Together, we have been married a combined 55 years and have used that experience to create Uncover Marriage. We have also launched Healing Forward Ministries, a non-profit organization to offer financial assistance to widows and fund content and experiences designed to reverse the epidemic of divorce that is sweeping the globe. We love to inspire others with hope and equip couples to experience the marriage of their dreams!

worship led by:

David Freeman

Worship Pastor, Willowbrook Baptist Church, Huntsville

Worship is more than a routine; "it is a way of life" gives David the conviction to chase God's call on his life. He has a passion to lead people to the true living God and take worship to new levels for church members. David is comfortable leading people to God with a guitar in hand or by sitting down with a pen and pad to write powerful lyrics. He has led in many different settings (camps, Disciple Now weekends, concerts, worship services) to crowds of all ages.
