Northeast Alabama
February 2026

Coach & Spouse Time-Out Weekend

The Coach & Spouse Time-Out Weekend brought together 31 couples from 19 different schools for a meaningful time of being engaged, equipped, and empowered in their faith, marriages, and leadership. We're grateful for comedian Jonnie W., session teacher John Branyan, and State Director Ryan Limbaugh for pouring into couples with practical, faith-filled tools they can apply immediately.

Key takeaways: run the race so your spouse can break the tape. Serve one another daily. Express gratitude often. Choose joy, extend grace, and embrace laughter—even in hard moments. God is good, even when it doesn't feel good.

Renewal in the chair. Revival in the circle. Awakening in the pew. This is where God works. When the chair is occupied, the circle is strengthened, and the pew is engaged—God does what only He can do.

Please join us in praying for these coaches and spouses as they continue strengthening their marriages and keeping Christ at the center.

PROVEN - John 15:8

Dear Teammates In Christ,

Thank you for your faithful partnership of Northeast Alabama FCA. Your prayers, encouragement, and financial partnership allows us to show up on campuses, engage coaches, and student leaders. Thanks be to God and you, lives are being impacted and the Truth is being shared through sports.

Our theme for the year is Proven, based on John 15:8. In a world that constantly pressures students to prove their worth, we are reminding them of this truth: we don't have to strive for approval—God has already proven everything for us through His Son, Jesus Christ. We are proven in Him.

This year at our camps we are focusing on:

- Connecting
- Cultivating
- Choosing
- Committing

Thank you again for partnering with us as we continue to engage, equip, and empower the next generation.

May He >
In His Grip,
Ken
Proverbs 3:5-7

Internship Ministry

On February 1, we had the joy of meeting with over 70+ high school juniors, seniors, and college-age students, along with their parents. This group is ready to kick off camp season. They will love, lead, train, and teach the next generation all summer.

The Intern Ministry Team has begun the interview process. Please be in prayer for the students, their families, and our camp leadership team as we make important decision about those who will help set the tone for the entire summer.

Blount County Highlight

Ambassador JC Robertson is leading the Appalachian Coaches Huddle through a study of Don't Waste Your Life by John Piper. This is a powerful call for coaches to live with purpose, leverage their platforms for Christ, and pursue a life that counts for more than wins and losses.

Cullman County Highlight

Cullman High School, led by Ambassador Coach Josh Marshall, is developing a strong leadership team that is committed to engaging, equipping, and empowering students to make a meaningful impact on their campus and in the community.

Jackson County Highlight

The Skyline Leadership Team joined us for an evening of fellowship. These leaders carry a deep burden for revival on their school campus. God is using them to impact their campus and community for His Kingdom as they plant seeds that will have an eternal impact.

Please pray for student leaders in Jackson County, often.

Madison County Highlight

Sparkman High leaders are a special group—bringing passion and excitement as they plan a huddle EVERY WEEK. We are grateful for their consistency and proud of their commitment to showing up, leading well, and making an impact on their campus. Help us lift them up in prayer as they lead!

Marshall County Highlight

Summer Intern Niya shared at the Arab Jr High Huddle. Niya reminded students that age does not limit influence. God doesn't wait for us to be older, louder, or more experienced to use us—He calls us to lead now by the way we live. Our words, actions, love for others, faith in God, and commitment to purity can point people to Christ no matter our age.
