## NORTHEAST ALABAMA

### *Dear Teammates in Christ,*

Thanks so much for your prayers and for your kindness to financially make this NE AL TEAM FCA MISSION POSSIBLE! As of today, we've seen 180 decisions for Jesus after the first two Sports Camps. We are closing in on 1,000 kids attending Sports Camps. Let that sink in ... 1,000 kids attending a camp for 8 hours per day for 5 days. GOD IS AT WORK! I love this quote I heard years ago - "If you want to change someone's behavior, you must change their belief". The Gospel is a PROACTIVE and PROVEN way to change lives and culture. Friends, many of these kids can't attend without financial help to do so. Would you and yours prayerfully consider helping us make this possible? We currently have 150 more scholarship needs than we did last year. That's \$250 per camper for a total NEED of \$37,500. This is a big #, but we know we serve a BIG GOD and we are committed to not tell any kids they can't attend. If you would like to partner with us and give a scholarship for 2 (\$500) or for 5 (\$1,250), or for 10 (\$2,500), or for 20 (\$5,000) or for 40 (\$10,000), please text or call me at [256-200-0655](tel:256-200-0655). Thank you again for your kindness to invest in numerous lives when you partner with NE AL TEAM FCA.

## *Intern Spiritual Bootcamp*

The Spiritual Bootcamp is a 7-day adventure which is filled with all the training we can possibly give the Interns. 59 Interns attended and graduated from the experience. We've served 2 camps already this summer and they led 180 kids to Jesus. Let that sink in ... 180 kids professed Jesus as Lord and each of them attended a Follow-Up Class. Praise be to God for each heart and for each one who Admitted they are a Sinner, who Believed in their heart that Jesus is not only their Savior but Who they also agree to allowed to be Lord of their lives. Lastly, they have COMMITTED to seek and serve Him. We have no idea what God will do in their lives, but we PRAISE HIM for stirring in their young hearts. May HE >

St. Simons Island, Georgia

The Student Leadership Advance (SLA) is an annual time to step away from the pace of camp ministry to intentionally pursue Christ with the Interns. We serve them by investing time, all talents we can and some treasure in their lives individually. This is a time to ENGAGE with God and one another and a time to EQUIPPED by the WORD of God and time with Him and others. This time produces in each person all they need to go back home and be EMPOWERED to do the work for the Lord in July and on their campuses this Fall. May HE >
