Dear Teammates in Christ,
It's the Thanksgiving and Christmas season but it's also been the season of the Iron Bowl Prayer Breakfast Tour. Over 1000 attended (a new NE AL FCA record) one of the three Breakfasts in three counties. There was a record # of attendees in Cullman and Marshall Counties. Words can't express enough the gratitude we all have for each one who attended, served, gave and/or prayed. **The Gospel was presented clearly, beautifully and powerfully.**

As we focus on the upcoming year-end, will you prayerfully consider helping us? We have a financial year-end goal of \$450,000. **I hope you will join the Home Team of financial partners and let's grow from here! You and yours can also can invest monthly, quarterly or annually.** Please let us know how we can help you set up your desired gift for 2026. We're not doing anything different, it's just our turn!

In His Grip,
Ken Burnett

For Area Director Angie Burnett, ***"the highlight of the Iron Bowl Prayer Breakfast was seeing so many middle schoolers show up—and knowing their parents not only brought them, but stayed to be part of the morning as well. That's what FCA is all about: community and family. From the youngest students to grandparents, we love seeing everyone involved and connected through faith."***

Fields of Faith

Area Director Amy Thaxton shared how Fields of Faith is impacting students in powerful ways. ***"It's incredible to watch students step up, share their faith, and encourage one another. This student-led event gives them the space to speak boldly, lift each other up, and point their peers to God's Word."***

Albertville High School hosted a Fields of Faith event, representing 12 different schools. Athletes shared testimonies, read Scripture, led worship, and prayed, creating a powerful night of student-led ministry. Many local churches partnered to make the evening extra special, and over 300+ people attended to hear the Gospel shared by students.

Teacher, Coach, & Ambassador, Richie Penn, shared ***"West Point High School's FCA hosted their first-ever Fields of Faith in October. It was inspiring to see students come together for a special night of student-led worship and prayer, creating a powerful environment where faith and fellowship took center stage."***

Section High School Fields of Faith was phenomenal. The stadium was packed, the crowd was electric, and God's presence was felt throughout.

What a night at Appalachian High School! Fields of Faith brought students, coaches, and the community together to lift up the name of Jesus.

GOD MOMENTS FROM THE STAFF

Kandi Armstrong, Administrative Assistant

Mrs. Kandi works tirelessly behind the scenes to keep everything running smoothly as we prepare for camp season. ***"Camp season is my favorite. As a Mimi, this blesses my heart to the core. There's nothing like seeing your grandson be bold—reading God's Word in front of the entire camp group—and growing in his faith. I am so thankful for FCA pouring into the hundreds of campers this past summer. What a blessing it is to be part of the NE AL FCA team."***

Lindsey Williams, Area Representative

Coach Lindsey has been focused on guiding and encouraging students in both high school and college huddles, helping them grow in faith, leadership, and a heart for serving others.

"As a mom of a young boy, this picture absolutely thrills my heart. Knowing that NE AL FCA has young college men investing in middle school boys through our newest Timothy Mission. This gives me so much hope for the future of my son. I'm praying that as he grows, he'll also have a group of godly college guys pouring into him—just like these boys do."

Sonya Carrier, Area Representative

Mrs. Sonya has had the privilege of working with our Elementary and Middle School Huddles this semester.

"I love this picture. I love the sweet innocence it captures. I love that we get to help lay a firm foundation for children at such a young age—that we get to meet them right where they are."

JD Cotten, Ambassador

Teacher, coach, and NE AL FCA Ambassador, celebrates hosting ***"our largest leadership group ever at the Albertville FCA Leadership Breakfast!"***

Houston Hall, College Ambassador/Summer Intern

Houston, a current college ambassador and summer intern, recalls his time at the High School PLT Conference held in August:

"This is my favorite picture because it shows how connected we become with each other and with Jesus while we're at PLT. You can tell that the Spirit of God is dwelling in the room we were in."

Terri Huckabee, Administrative Assistant

Mrs. Terri has been instrumental in helping us pour into the Marshall and Cullman areas. ***"After the Holly Pond vs. Appalachian game, every player, coach, and cheerleader from both teams came together on the field—united in one powerful moment of prayer."***

Daniel Jacobs, College Ambassador

Daniel, a College Ambassador and Summer intern, who has served with NE AL FCA for over four years. One of his favorite moments this semester was at Randolph Middle School, where students were praying for their "Team of the Week."

"It's inspiring to watch how they genuinely care for one another and invite all their friends to FCA. This is one of the larger huddles I've attended, and you can truly see Christ shining through their joy and love for everyone who attends."
