NORTHEAST ALABAMA

Teammates in Christ,

We had an absolutely fantastic summer camp and conference season! The numbers speak for themselves, and we are incredibly grateful to God for making it all possible. We humbly request your prayerful consideration in helping us reach our financial goals/needs. Thank you for your unwavering support and dedication. It means more than words can describe.

We express our deepest gratitude to God for the incredible amount of **\$171,550** that we have received.

We are earnestly praying that we will be able to raise the remaining amount of **\$128,450** by August 31st.

Thank you for all you do and for making this NE AL FCA mission possible! We're not doing anything different, it's just our turn.

In His Grip,

Ken and NE AL TEAM FCA
