## HOME TEAM UPDATE

### 20 / FALL SEMESTER / 23

Dear NE AL FCA Home Team Members,

Merry Christmas to you and yours! I wish you all the best times ever with friends and family as we celebrate the reason for the season...JESUS CHRIST! Here is a quick picture of the FALL SEMESTER and I pray it encourages you to see how you are engaging the culture. I hope you hear and see my heart clearly. Everyone of you who invest in NE AL FCA is a special part of the engaging, equipping and empowering the NE AL area. Thank you!

Below, you will see pics of an overview of the 1000 plus folks who attended the Iron Bowl Prayer Breakfast. We had the opportunity to share the Gospel in four cities in four days in three counties. It was such a special week and it never grows old to see God use the platform of the Iron Bowl to share the GREATEST NEWS EVER! You also will see below pictures representing Huddles meeting in a variety of ways on and off campuses in NE AL. The older I get the more humbling it is to see Students and Coaches getting up very early to hear and to share about Jesus.

Lastly, I hope you see the dates of what's coming up in 2024. Camp season is being worked on, as always, year round while the Coach and Spouse Time-Out Weekend is in January. It's almost FULL so please reserve your spot today! Please prayerfully considering a year-end financial gift to NE AL FCA. The goal is below and if everyone participates and gives, we will meet the need and then some. Thanks in advance for all you each do! God bless and may HE > we.
