

**BOYS & GIRLS CLUBS
OF HARTFORD**

2026 Partnership Package

Mission Statement

To enable all young people, especially those who need us the most, to realize their full potential as caring, productive, and responsible citizens.

Being a Partner

The Why

Your Partnership is an investment in the next generation.

Boys & Girls Clubs of Hartford is fortunate to have some of the greatest partners in Connecticut. We are grateful for the valuable resources our partners provide and the knowledge they share with our members, staff and Clubs.

By being a partner, you become a MEMBER of the Boys & Girls Clubs of Hartford Family.

Meaningful cause: Hartford youth face many challenges and Boys & Girls Clubs of Hartford offers them a safe place to go where they are surrounded by caring adults. Your support opens the door to a world of opportunity for kids of all ages and keeps family finances from being a barrier to participation.

Engagement opportunity: You, your teams or employees can volunteer with our Clubs to enhance or create programs that target mutually beneficial goals and outcomes.

Maximize giving: Matching and giving campaigns help your employees' maximize their contributions to our clubs and volunteer opportunities boost team morale - strengthening your organization.

Build camaraderie: Investing in our Clubs offers the opportunity for your philanthropic giving objectives to build a sense of camaraderie in the community. Annual event sponsorships, grant funding for program support and individual fundraisers increase the bond between your teams and the community.

Enriching the future: Corporate partners have the power to change the lives of our kids and impact the future of our city. Your investment helps build an educated workforce, a healthy and active community, and a city full of young leaders.

Reach the community: A corporate partnership offers your organization marketing and public relations benefits, at no cost. Your community, and potential customers, receive invaluable insight into your brand and values.

Boys and Girls Clubs of Hartford offers an array of opportunities to meet your giving objectives and can carefully craft a partnership that works for you.

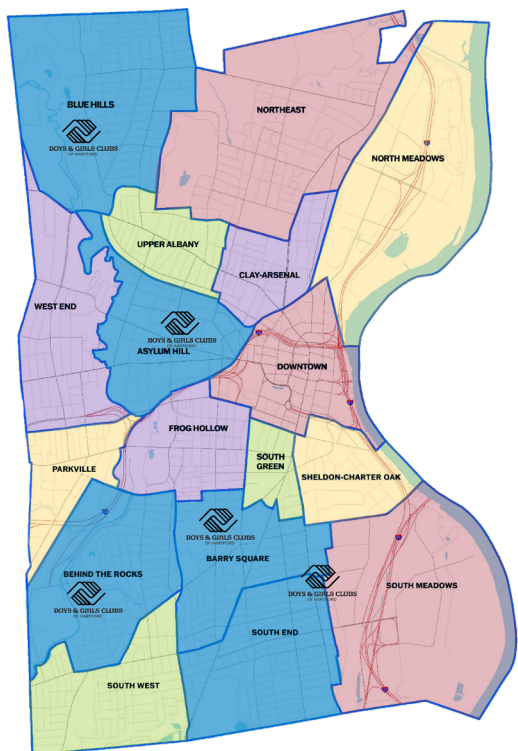

At a Glance

It's not easy being a kid today...

From a very young age, many kids have to deal with some very adult stuff. Violence, food insecurity, poverty, anxiety – just to name a few.

That's why Boys & Girls Clubs of Hartford exists. We allow kids to leave all of that stress at the door and just be kids! Our Clubs offer them a safe place where they feel accepted and welcome. Your support is giving kids the greatest gift of all, a place to belong.

To ensure our programs are accessible **TO EVERYONE our Club membership costs **\$10** a school year for 6-18 year olds.**

Program Focus Areas

Our mission is to empower Boys & Girls Clubs of Hartford members to succeed and achieve. Working alongside our partners, we are investing in the next generation of leaders and developing tomorrow's talent pipeline by helping our members realize their full potential.

ACADEMIC
SUCCESS

As a premier youth development program – we're helping our members succeed in and out of the classroom. Our Clubs provide safe out-of-school spaces, tutoring and mentorship during power hour to help young people grow academically, and educational programs specifically designed to stop learning loss and enable scholars of all ages to excel, stay on grade level and reach graduation day! Our Academic Success pillar also includes STEAM (science, technology, engineering, arts and mathematics) encouraging youth of all ages to explore new topics and career opportunities while learning skills vital for a 21st century workforce.

CHARACTER &
LEADERSHIP

We're doing whatever it takes to help our youth reach their full potential as responsible, caring and productive citizens. Our Character & Leadership pillar is designed to unlock their potential and create opportunity for all. We also mentor tomorrow's leaders by encouraging all young people to find and amplify their voice to elevate the next generation. Our Character & Leadership pillar includes our leadership and service societies, Keystone Club and Torch Club, as well as our Youth of the Year leadership program. These programs provide mentorship and leadership opportunities while offering young adults life-shaping resources and skills.

HEALTH &
WELLNESS

Our Health & Wellness pillar enables young people to make healthy choices for their bodies and their minds. We provide them with mental health resources and equip young people with the skills they need to manage emotions and build resiliency. This pillar also focuses on active living and healthy eating to fuel growing bodies and minds. Youth are learning how to cook and make good dietary choices in the kitchen and display sportsmanship on the athletic field and the court.

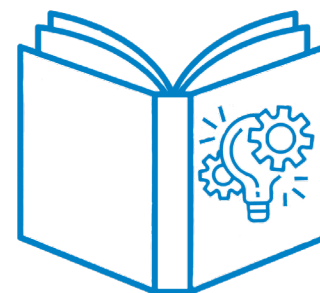

LIFE & WORKFORCE
READINESS

This pillar prepares young people for all facets of adulthood. It aims to provide holistic skill development and career exposure that supports a diverse & skilled workforce. Through programs like Up-Next - an in Club work-based learning program -, career launch, money matters and diplomas2degrees, youth are receiving positive work experiences and are engaged in academics, career exploration and leadership. This program also aims to build the future workforce and address needs for skilled workers while leveling the opportunity gap.

Academic Success

We are developing globally competitive graduates with the skills, knowledge and training they need to pursue their goals and interests. Our programs are designed to ensure that all Club Members graduate from high school on time and ready for post-secondary education or the workforce.

What We Do

Power Hour is a homework-help program which encourages Club Members to become self-directed learners. Power Hour stresses daily homework completion while offering academic support and tutoring.

Project Learn is a comprehensive academic success strategy that cultivates a love of learning through positive environment, academic support and high-yield activities. Research has shown that kids do better in school when they spend their non-school hours engaged in learning activities such as leisure reading, writing and games that develop their cognitive skills.

Ultimate Journey engages youth, ages 9 to 13, in fun, experiential environmental education. The program cultivates awareness and appreciation for the natural world, including ecological stewardship and outdoor activities.

Summer Brain Gain is a program for all ages dedicated to expanding learning opportunities during the “out-of-school” summer months to prevent Members from falling behind the learning curve.

DIY STEM is a hands-on, activity-based program for ages 9 to 12 that helps them connect scientific principles and real-world applications. DIY STEM includes five modules: Energy and Electricity, Intro to Aeronautics, Engineering Design, Food Chemistry, and the Science of Sports. Exposure to science, technology, engineering and math is critical during the tween years when Club members’ natural curiosity drives interest and builds capacity for success in these disciplines.

Imagemakers is a program that helps Club Members learn the art and science of photography in multiple categories, including culture and tradition, portraits, nature and surroundings, fashion and style, and editing and filter. Photographs are displayed at local and regional exhibits.

National Fine Arts Exhibit is a program that encourages artistic expression among Club members through drawing, painting, printmaking, collage, mixed media and sculpture. Club members’ artwork is entered into an annual Boys & Girls Clubs contest.

Makerspace gives Members an opportunity to explore and learn how to use tools and materials to develop creative projects. Our members create with a 3D printer, explore robotics and learn how to use a laser cutter in the field of electronics.

Character & Leadership

We help youth become responsible, caring citizens with the skills necessary to participate in the democratic process. Club Members develop leadership skills and gain opportunities to plan, make decisions and contribute to our Clubs and community. We inspire our members, give them the confidence to make meaningful change in their communities, develop a sense of civic responsibility and prepare them for the future.

What We Do

Keystone Club is a dynamic program for teens, ages 14 to 18, that provides valuable leadership and service experiences. Teens participate in activities in three focus areas: academic success, career exploration and community service. Members elect officers and engage in a broad spectrum of activities.

Torch Club is a leadership and service club for ages 11 to 13. Members learn to elect officers and work together to implement activities in the following four areas: service to the Clubs and community, education, health and fitness, and social recreation. Each year Torch Club members from across the country take part in a service-learning experience through the National Torch Project.

Youth of the Year is a leadership development program for teens ages 14 to 18. It includes hands-on activities that explore topics such as identity, passion, personal branding, voice, teamwork and goal setting. The program prepares teens for the signature Youth of the Year award process.

Junior Youth of the Year is designed for ages 10 to 13 and prepares youth to respond to the growing demand for 21st century leadership skills. The program offers training and practice for youth who are developing their leadership abilities and offers one youth the opportunity to be a Club ambassador for the year.

Million Members Million Hours of Service encourages good character in youth and an appreciation for citizenship. It offers every Club Member the opportunity for year-round volunteer activities. The program exposes Members to the world of possibility around them and empowers them to make a difference in their community.

OJJDP implements gang-prevention programs designed to encourage youth to resist the culture of social cruelty, stand up to bullying and reject gang violence. Members learn personal values and skills, cultural competence, peaceful conflict resolution and a positive sense of self.

Health & Wellness

Our Health & Wellness programs develop young people's capacity to engage in positive behaviors to nurture their well-being, set personal goals and grow into self-sufficient adults. We do this by providing safe places for members to practice healthy decision making, participate in physical activities, and engage in programming designed to promote social-emotional wellbeing.

What We Do

Passport to Manhood is designed for boys ages 8 to 17. Each Passport to Manhood session focuses on a specific aspect of manhood through weekly sessions. The program represents a targeted effort to engage young men in discussions and activities that reinforce character, leadership and positive behavior.

SMART Girls is a program for girls ages 8 to 18 which focuses on guiding girls to develop and adopt a healthy attitude and lifestyle. Girls learn to acquire and maintain a positive self-concept, positive peer relationships and sound decision-making skills.

SMART Moves is a health program made up of three groups: SMART kids for ages 6 to 9, Start SMART for ages 10 to 12, and Stay SMART for ages 13 to 15. Each program builds knowledge, attitudes and skills that increase healthy decision-making.

All-Star Sports Leagues are organized sports leagues for youth and teens engaging members in basketball, flag football and soccer. The goal of All-Stars is to provide all members with a fun way to build physical literacy as they participate on a sports team.

Triple Play is a dynamic wellness program demonstrating how to eat right, keep fit and form positive relationships to add to a healthy lifestyle. The Triple Play Program aims to improve Club Members' knowledge of healthy habits, increase the number of hours they participate in physical activities per day, and strengthen their ability to interact positively with others to form healthy relationships.

Life & Workforce Readiness

The life and workforce landscape is undergoing a drastic change with technological innovations, the demand for new skills and adaptive work arrangements. Our programs help young people meet the workforce challenges of tomorrow by providing them with the safe space and positive mentorship necessary for success from their first-job to their dream career.

What We Do

Junior Staff is a small-group program that assists Club members, ages 13 to 18, in exploring a career in youth or human services, particularly Boys & Girls Clubs work.

Diplomas2Degrees is a college readiness program which guides Club members as they work toward high school graduation and prepares them for post-secondary education and career success.

Keystone Club is a unique leadership development experience that provides opportunities for young people, ages 14 to 18, to participate in activities in three focus areas: academic success, career preparation and community service.

Money Matters promotes financial responsibility and independence among Club members, ages 13 to 18. Participants learn how to manage a checking account, create a budget, save and invest, start a small business and pay for college.

Career Launch is a program that aids teens in identifying job requirements, seeking out financial aid and participating in career and job skills such as resume writing, interview preparation and job-seeking skills.

Reality Store extends the impact of Money Matters through an interactive game where teens visit a series of stations during an event and make different types of financial decisions – such as using a monthly salary to balance housing, groceries, transportation, and more.

College Tours expose teens to higher education and enhance access to college. The aim is to level the playing field for club members – many of whom are first-generation students – through strategic partnerships with institutions of higher learning.

Volunteer

Academic Success

Homework Support (Power Hour)

- Provide homework help or small group tutoring and participate in fun learning activities

STEAM Projects

- Lead or assist with hands-on experiments, group science activities, and arts programming.

Literacy Boost

- Read with younger members or support creative writing and reading clubs.

College Preparation

- Help club members with college preparation by offering guidance on college applications assisting with financial and scholarship applications, providing SAT prep.

Health & Wellness

Physical Activity (Triple Play)

- Lead fun sports drills, dance sessions, or active games for all age groups.

Nutrition Engagement (Healthy Habits)

- Assist with cooking demos, snack prep, and teach members about healthy eating.

Fitness

- Lead our members, participate in a game and/or help with developing a skill (basketball, baseball, football, soccer, training/conditioning, yoga/meditation, hockey, cheerleading, and more!)

Character and Leadership

Mentorship (Torch & Keystone Clubs)

- Partner with our tweens and teens in planning community service or leadership projects.

Youth of the Year & SMART Girls Prep

- Help members build confidence through public speaking practice and essay coaching.

Team Activities

- Lead projects that promotes collaboration.

Life & Workforce Readiness

Career Exploration (Career Launch)

- Share your own career path or help coordinate guest speakers, job panels, mentoring members on career exploration, and support career fairs.

Future Ready

- Provide career training certification and job shadowing opportunities.

Club Internships

- Mentor teens involved in Junior Staff roles by supporting job skills training and supporting external internship opportunities.

Volunteering can be done individually or with a group. Experiences can be an hour or more. Let us know what works for you!

Through the Years

Boys & Girls Clubs of Hartford offer programs and opportunities for all young people, beginning just before their third birthday until they're 18. Follow along as member Sophie grows with our Club!

Age 3-5

Sophie is excited for hands-on science and reading at the Early Learning Center. Her parents are excited for the nurturing and supportive environment.

Age 6

Sophie is an official Club member! Her mom is excited that Sophie and her siblings have a safe place to go after school while she's at work.

Age 7

Sophie enjoyed Summer Fun Camp and is happy to be back at the Club with her new friends!

Age 8-9

Sophie is developing new skills each year and loves the Art Room, the 3D printers in Makerspace, and learning how to cook in Health and Wellness.

Age 10

Sophie is excelling in school thanks to the homework help she gets during Power Hour. She loves she can get help on her toughest assignments.

Age 11

Sophie joined Torch Club this year. She's developing leadership skills and building character, but most of all loves doing service projects with her friends.

Age 12

Sophie has been learning different cultures and inclusion in the Youth for Unity program. She's learning to stand up for others and confront inequality.

Age 13

Sophie is learning about financial literacy through the Money Matters program. She's creating a budget so she can save part of her allowance in a college fund.

Age 14

Sophie has moved up to Keystone Club. She's focusing on academic success, career preparation and community service, all while become a leader in her Club.

Age 15

Sophie is excited to be a Junior Staff this summer. Her mom is grateful for the meals and snacks her growing teenager is getting every day!

Age 16

Sophie is part of the SMART Girls program and is learning about healthy decision making, building self-esteem, and positive peer relationships.

Age 17

Sophie found her dream school at the fall college fair. She's glad the workforce readiness staff is helping with her college application!

Age 18

Sophie was just named Youth of the Year! She shared her story of how the clubs enriched her childhood and prepared her to succeed in college next fall. She was so excited to have her Club family there with her on high school graduation day!

Achieve Greater

Boys & Girls Clubs of Hartford opens the doors to new possibilities for the youth of Greater Hartford. We provide a safe and inclusive environment with the mentoring, support, training, and guidance needed for kids to reach their full potential as productive and successful individuals.

2026 Youth of the Year: Tiarra R.

Tiarra has been a member of the Southwest Boys & Girls Club for the past 5 years. She has a passion for helping others and is a role model for her fellow Club Members.

Tiarra credits the Club for challenging her to become the best version of herself and for making her a bold and confident young woman who is ready to take on life's challenges. She dreams of being a community leader and addressing problems including poverty, crime, drug and alcohol abuse and the high cost of health care.

Meet the 2026 Youth of the Year at the Great Futures Celebration

2025 SMART Girl of the Year: Briza G.

Briza attends the Southwest Boys & Girls Club and has grown up in the Club over the past 10 years. She's a member of the Keystone Club and volunteers to serve meals to the younger members and runs the snack shop.

Briza says the Club gives her an overwhelming sense of belonging and has allowed her to grow in a safe and welcoming place where she does not feel judged. She says SMART Girls has taught her the importance of being a strong, powerful and educated woman.

Meet the 2025 SMART Girl of the Year at the Dashaway Luncheon

Fundraising Events

Boys & Girls Clubs of Hartford relies on fundraising events and support from the community to keep our fees low and affordable for our members and their families. These events also celebrate our mission and the incredible young people who take part in our Clubs.

Great Futures Celebration - June 6, 2026

The Great Futures Celebration is our signature fundraising event. Held every spring, it celebrates the great futures that begin in a Boys & Girls Club. It also offers an opportunity to introduce our Youth of the Year - a teen ambassador who embodies what it means to be a club kid!

[Scan to learn more about the 2026 Great Futures Celebration.](#)

Golf Classic - October 5, 2026

Each year, Boys & Girls Clubs of Hartford hits the links for our Golf Classic. This 18-hole, best ball tournament includes lunch, a cocktail hour and dinner. It also features a youth speaker who has had their life impacted by the Club and its programs.

[Scan to experience the sights and sounds of the 2025 Golf Classic!](#)

The Dashaway Luncheon - November 13, 2026

The Dashaway Luncheon honors the four women who founded the first Club in 1860, then known as The Dashaway Club. This female empowerment celebration honors our SMART Girl of the Year and the SMART Girls program, which helps young women build self-esteem and make healthy choices.

[Scan to learn more about how four Hartford women started a youth development movement.](#)
