Serving the Lord in France since 2000

Praying without ceasing:

September 2025

Thankful: for new visitors.

John-Marc, college student from Ivory Coast

Juliette and Aurélien (and their baby Caleb)

A family of 7 who stopped by on their way back home from vacation.

Ben, a college student who comes periodically.

Pray: for our upcoming furlough. Even though it seems far away, preparations are already taking place.

If you would like for us to come and visit, we'll be happy to schedule you in. Right now, we hope to take meetings **from April to August 2026**.

Thankful: for decisions made in camps this past summer, including for people from our church. Pray that they will continue to grow in the Lord.

Pray: for **Timothy and Joshua** as they continue their journey through college, that God may protect them, guide them and provide their every need.

Pray: For more laborers and more French men to surrender to fulltime service.

In everything give thanks!

Dear Co-laborers and friends,

Summer months usually mean lower attendance because of families leaving on vacation. Yet, it was a blessing to see several visitors during that same time, as well as seeing some of our people using their vacation time to go to Christian camps.

The camp our co-workers worked in was a real blessing to them as they saw several decisions made for their Lord, some baptism requests and others showing a desire to obey the Lord in their personal lives.

In our last letter, we mentioned a man from Ivory Coast who has been coming faithfully to the services. He recently needed to go back to Ivory Coast for about six weeks. He asked if we knew of churches "like ours" in his area and he keeps up with us via WhatsApp. Lord willing, we hope to have him back with us in late September.

Since then, we've had a student from Ivory Coast who just arrived and came to church. He said he loved how he was received and what he heard and said he does not need to look for a different church. We ask that you'll pray that we can help Jean-Marc in his walk with the Lord.

As school starts back up, so do many other activities. Please pray as we start our young people's Bible clubs, our teen club, men's prayer breakfast and ladies meetings.

Please pray for me as I will be presiding over a meeting at the end of October. This is an annual meeting of pastors and missionaries from across France. Much encouragement is needed for these dear servants who serve as a model for many of us. There can be anywhere from 60 to 80 people present, together for two days.

Servants of Christ,

Carey & Susan Abbett
