November 2025

Dear Pastor and Friends in the Lord,

"And let us not be weary in well-doing: for in due season we shall reap, if we faint not."

Galatians 6:9 We have been very busy the past two months of September and October. We sometimes feel a bit weary but then we have such wonderful verses in God's Word to keep going and not to faint. God gives the strength and the opportunities to serve Him.

I was blessed to teach the adult auditorium Sunday school class for the month of September. We served in the bus ministry in riding the vans and preparing a bus breakfast once a month for the children who come. I have been excited to pass along our new tract "The Lord is my Shepherd." It is being well received. It was a joy to attend two mission conferences and visit four of our supporting churches in Georgia and Tennessee. I also preached at two of these supporting churches I am always pleased to speak about missions and reaching the lost around the world. It was a blessing to see many folks that we had not seen in some time. I was also asked by a longtime friend to speak in his evening service at Calvary Baptist Church in McMinnville, Tennessee.

On a personal note, Glenn got a great report from the doctor concerning his eyes. His vision is back to 20/20. He now has progressive reading glasses, which are working well. The new dentures are a work in progress. Hopefully that will be better soon. We both had good reports from our yearly check-ups. Charlotte is taking some recommended natural treatment for her macular degeneration eye problem.

Our family celebrated the birthday of our oldest granddaughter who turned 15, our son James in September, his oldest daughter who turned 13 and his wife, Brittany, who had October birthdays. We are enjoying the wonderful time with family.

Please continue to pray for Calvary Baptist Church in England, the Armenian Ministries as they continue to send containers from the UK and minister to the poor and needy along with Bible distributions and Bible clubs. There is increasing difficulties and restrictions in the UK as the truth of the gospel is being shared. Please pray for us as the Lord opens new opportunities in the new year for furlough relief for missionaries. Pray that He gives us the place of service. We are so thankful we have the strength to serve wherever we are and that we do not want to faint in the Lord's work as we see even more difficult days approaching as we look for the return of Jesus Christ, our dear Saviour.

Thank you all for your faithful support in prayers and finances. We are honored to work together with you in God's harvest fields.

Sincerely in the Lord's work.
