MISSIONARIES TO CHINA

TAKING THE GOOD NEWS TO THE LAND OF THE GREAT WALL

November 30, 2025

Dear Praying Friends,

We hope that you had a wonderful Thanksgiving! Time with family, good food, and reflecting on all the good things that God has done for us over the past year is always a blessing.

Things at Truth Baptist Church are going well! Although thanksgiving is not a holiday that is normally celebrated by Chinese, our people enjoy having times of thanksgiving and praise.

Pastor Li's (pronounced Lee) wife just gave birth to their second son. Both mother and baby are doing well. No matter where in the world that you reside, the birth of a baby is always an exciting and welcome event. Pray for this young couple as they endeavor to raise up a godly seed unto the Lord.

The first weekend in December, I will travel to Seoul to preach a missions conference for a new church that has just been started. Please pray that God will use me as I preach the first missions conference of Friendship Baptist Church, located in the metro Seoul area.

Although Christmas in China is not the materialized circus that it has become in North America, it is still a busy time for us. It is normally our biggest and most aggressive season of evangelism for the entire year. We encourage our folks to reach out to the friends and family that they have witnessed to over the past year and once again share the gospel with them. Pray that this time of focused evangelism will be profitable and that souls will be saved!

Earlier this month Marta had a biopsy done on a spot on her left forearm. It was determined to be cancer. A procedure was scheduled to remove the cancerous spot. The surgery was successful, and the tests showed that the cancer was completely removed. Her arm is healing well. Please pray that her arm will fully heal and that no additional cancers will be found.

At this time of the year, we want to express our gratitude and heartfelt thanks for your prayers and financial support. Without your faithfulness we could not do the things that God wants us to do in China!

Unto the uttermost part of the earth,

Eddie Ray
