Guide to the Data File

The following guide provides information contained in the data fields for voter information files. **Please note:**

- The **“Formatted Address”** column contains the mailing address (residential, PO Box, etc.) for the voter and is to be used **for mailing purposes**.
- The **“Residence Address”** column is the physical address of the voter and may not be the mailing address.
- The **“Mailing Address”** column will be populated if a voter has provided a mailing address different from the **“Residence Address.”** Otherwise, the column will be blank.

Field	Description
"VoterID"	Unique voter registration ID number
"Voter_Name"	Last name, name style (SR, JR, III, etc.) first name, middle initial
"Last_Name"	Last name
"First_Name"	First name
"Middle_Name"	Middle name
"Name_Style"	Name style (SR, JR, III, etc.)
"Formatted_Address" *	First line of mailing address. If the voter provided no mailing address, this field contains the first line of the residential address. Street number, street number suffix, street direction, street name, street type, street direction suffix, apartment number. For example: 2345A S MONROE ST 67B where A is the street number suffix, S is the street direction, and 67B is the apartment number. For example, for a street with a direction suffix, the address might be: 4234B SHAMROCK RD E
*Refer to "Mailing_Address_1"	
"City_State"	City and state of mailing address. If the voter provided no mailing address, this field contains the city and state of the residential address.
"Zip_Country"	Zip/postal code and/or country of mailing address. If the voter provided no mailing address, this field contains the zip/postal code and/or country of the residential address.
"Residence_Address"	Street address line of residential address
"Street_Number"	Street number of residence address
"Street_Number_Suffix"	Street number suffix of residence address
"Street_Dir"	Street direction of residence address
"Street_Name"	Street name of residence address
"Street_Type"	Street type of residence address
"Street_Dir_Suffix"	Street direction suffix of residence address
"Unit_Type"	The type of unit, such as APT or BLDG.
"Apartment_Number"	Apartment number of residence address
"Zip_Code"	Zip code of residence address
"City_Name"	City name of residence address
"Mailing_Address_1"	Where the voter has provided a mailing address, the <i>Formatted Address</i> field contains it. Otherwise, the <i>Formatted Address</i> and <i>Residence Address</i> are identical. For Vote by Mail requestor information (for authorized requestors only), this field may contain a specific mailing address for balloting purposes.
"Mailing_Address_2"	Second line of mailing address.
"Mailing_Address_3"	Third line of mailing address. If the voter does not have an entry in Line 3 of their mailing address, the mailing city, state, and zip will be consolidated in this field.
"Mailing_Address_4"	If the voter's mailing address has a value in the Country field, the value will be inserted in this field.
"Mailing_City"	Mailing address city
"Mailing_State"	Mailing address state
"Mailing_Zip"	Mailing address zip or postal code
Mailing_Country"	Mailing address country

Note: In elections before 2006, the codes B and P were not used. B was included in Y and P was included in N. Early voting began in 2004; the first election in which you will see code E is the 2004 General Election. The codes F and Z were introduced in early 2010 to represent provisional ballots marked at early voting sites and the polls, respectively, which were later tabulated. Before the implementation of these two codes, tabulated provisional ballots were included in codes Y (for provisional ballots at the polls) and E (provisional ballots at early voting).

"Race"	1 = American Indian / Alaskan 2 = Asian or Pacific Islander 3 = Black, not Hispanic 4 = Hispanic 5 = White, not Hispanic 6 = Other 7 = Multi-racial 9 = Voter did not specify their race
"Sex"	M = Male, F = Female, U = Unknown
"Birth_Date"	Date of voter's birth in MM/DD/YYYY format
"Registration_Date"	Date voter registered to vote in MM/DD/YYYY format
"Congressional_District"	Voter's US Congressional district
"Party"	Voter's political party affiliation. For example, DEM = Democrat, REP = Republican, NPA = No Party Affiliation. Florida Political Parties are subject to change. Please refer to the Division of Elections Website (link below) for the most current list of the Florida Political Parties: http://election.dos.state.fl.us/candidate/parties.shtml
"Precinct"	Voter's precinct
"House_District"	Voter's Florida House district
"Senate_District"	Voter's Florida Senate district
"Commission_District"	Voter's county commission district
"School_Board_District"	Voter's school board district
"Assistance_Required"	Y= assistance required to vote; N= assistance not required
"Mailing_Address_Flag"	Set to Y if the voter has a mailing address
"City_Code"	City code if voter resides within a city
"City_Ward"	City ward or city precinct
Telephone_Number	Voter's telephone number with area code, if provided
Voter Status	Voter's registration status
Public_Email_Address	E-mail address on file, if voter requested sample ballots to be e-mailed (upon request)
Sample_ballots_by_Email	If the voter requested sample ballots to be e-mailed: Y = Yes; N = No; Blank = Not Applicable at the time voter completed Florida Voter Registration Application
20 voting-history fields	Appears in the export file only when the Output Option is Text File with Voting History. Consists of 20 voting-history fields, each with a field header containing the election name and date. For example General_ElectionNov42008
The following codes are used in the voting-history fields to specify whether and how the voter voted. The codes are listed in order of precedence. So if multiple conditions exist, the condition with the highest precedence will be shown. (In earlier versions of Voter Focus, if a voter's provisional ballot was not counted and they voted in another manner, the provisional ballot took precedence.)	
Y	Voted at the polls
	Voted at the polls by provisional ballot (ballot was tabulated); note: included in Y
N	Did not vote
A	Voted absentee (includes referred ballots that were tabulated)
B	Mail ballot not counted rejected by canvassing board (not tabulated)
P	Provisional ballot rejected by canvassing board (not tabulated)
X	Ineligible to vote
E	Early voted
	Early voted by provisional ballot (ballot was tabulated); note: included in E
<blank>	Not registered at the time of the election or information not available
