

Completed HVAC-Refrigeration Work

Retail Dispense Solutions is growing! In addition to commercial draft dispense services, we now also offer commercial mechanical and refrigeration services for ALL businesses in Texas and Oklahoma! We are equipped to handle all of your business's HVAC-R installation, service, and preventative maintenance needs.

Our home is in D/FW, Texas, but we have completed builds around the country. We prize our quality relationships and are always on the lookout for great industry partners. Interested in working with us, or got a question about one of our previous projects? Get in touch!
