

Helen celebrated her 103rd birthday with a beautiful smile and a great party! We are so glad we could celebrate with her. Thank you to the HAMC Auxiliary for sponsoring the January Birthday party. They served delicious freshly made angel food cake with fruit. The residents of our Care Center enjoyed all your help in playing bingo.

We enjoyed a little friendly competition in 6-5-4 and Bingo during the month of January. The smiles and the laughter is so fun to be a part of.

#### Chaplain's Corner with Pastor Gary

During a "normal" weather cycle February provides relief from the long cold winter. Like all the other months it also provides a plethora of "holidays" of which only Washington's Birthday is recognized as being "official". Of course, Ground Hog's Day is a big event as the nation embraces a Pennsylvania Dutch superstition that if a groundhog (woodchuck actually) emerges from its burrow and sees its shadow, it will retreat, and winter will go on for six more weeks. But this event does not cause school or bank closings or even delayed trash pickup.

Valentine's Day is a biggie and ironically is combined with National Organ Donor Day – which might explain why we see so many hearts in February. Or it could be to signify love which Paul and John made some quick cash on by singing "All You Need Is Love". For you youngsters they were known as the Beatles and Ed Sullivan brought them to America. (You will have to Google for more information on Ed, but in a nutshell, he had a "really really big shew" for us on Sunday evenings.

The Beatles sang about love, but God is the creator. The "Apostle whom Jesus loved" who they say was too humble to write his own name in his books, recorded John 3:16-17 - *"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send His Son into the world to condemn the world, but to save the world through Him.* That loving sacrifice was prophesied 700 years earlier by Isaiah 53:5 - *But He was pierced for our transgressions, He was crushed for our iniquities; the punishment that brought us peace was upon Him, and by His wounds we are healed.* Have you received the healing power of The Father's love?

Let us welcome  
February &  
take EVERY chance  
to show love  
to all we meet.
