

WHY OFFER TO BE A TRUSTEE?

"It's actually quite an important role that ultimately ensures the success of community activities"

"Helping is fun and a good way to get to know your neighbours"

"Supporting the community is really important and the hall, with associated events, is a village asset"

"I love the sense of pride in giving back to the community, especially when you see people enjoying events or facilities that you have helped to organise"

"It feels good to be involved!"

DEVAUDEN HALL NEEDS YOU

Our newest trustees reveal why they joined the Board of Trustees and urge others to consider this rewarding role. If you'd like to talk to any of them they'd be delighted to talk to you. You'll find contact details on the hall's website at www.devaudenhall.org or you can email admin@devaudenhall.org

WHAT'S INVOLVED ?

"It requires a certain amount of time - not much, a few hours a month. Other than that - it just needs common sense!"

"All you need to become a trustee is willingness to stick with it through thick and thin"

"The word trustee sometimes sounds formal and daunting..... but your involvement is as much or as little as you can give"

"Have a chat to one of the existing trustees and give it a go! "

WHO CAN BE A TRUSTEE ?

"If you believe that Devauden deserves and needs a public space like the hall and you can contribute in some small way, give it a try as a trustee"

"We always need a diverse mix of skills and experience and no prior experience of being a trustee is required; just a can-do attitude and a passion for helping the community! "

"Everyone has something to offer - a skill, an opinion, experience, local knowledge, an enthusiasm for the local community"
