STEM SUPPLIES: Mrs. Townsend is very appreciative! Please label them STEM!! These will not be for our classroom, but for STEM class.

Choose one: 24 count crayola crayons
1 pkg Crayola Markers
2 pack of Elmers Glue Sticks
OR 1 pkg of clear scotch tape

Choose one: 1 pkg of disposable straws OR pipe cleaners
1 pkg of brown lunch bags
1 pkg of paper plates

Special Request:

Water bottles have become an added accessory to classroom learning. I have one on hand as well. While there are benefits to drinking water during the day, the size and type of water bottles that have become popular are not always conducive to the classroom. If your child wishes to have a water bottle on hand, please make it a **plastic, 24 oz bottle** with a built in straw/sippy lid. I am requesting that metal water bottles and the squeeze Gatorade style bottle stay home. Please test the bottle to make sure it doesn't leak! Please fill it with water only and **NO ice**. Water bottles can be refilled with cold water during the day from the fountains and/or water bottle filling station.
