REGISTRATION INFORMATION

Each school year it is necessary for parents to update student registration forms. It is CRITICAL for school administration to have the most current data for your students in order to keep students safe and to keep parents informed. In addition, students must have parent authorization for our Student Internet Acceptable Use Policy to access school technology each year. This authorization is completed during the online registration process. NEW students enrolling in our district for 2026-2027 need to fill out the [New Student Pre-Registration Form](#) in addition to completing the registration forms.

Please update your student's forms no later than August 14, 2026. You may access our SchoolForms registration system from home through your [Parent PowerSchool Sign-In](#). A [Help Document](#) is available to guide you. If you do not have internet access, you may still register in person. Someone will be available to help you through the process during the registration help dates below.

FEE PAYMENTS (GRADES 7-12)

School fees are required for NSHS and NSMS students. Click on [NSHS Fees Grades 9-12](#) or [NSMS Fees Grades 7-8](#) to review fee amounts. Parents have the option to pay online at [SchoolCash Online](#) beginning August 6th. Payment can also be made at the school office with cash, check, or credit card (see dates above). Click on [Fee Waiver](#) to download application. You are encouraged to complete the Fee Waiver by October 1, 2026. It will not be retroactive if filed at a later date. The Fee Waiver is separate from the Free and Reduced Meal Application. If you are interested in applying for a Fee Waiver and Free and Reduced Meals, BOTH applications MUST be completed.

TRANSPORTATION

If your student has not changed schools, the bus stop will remain the same unless you have been notified. Transportation questions will be part of the registration process. You may also contact our Transportation Department by phone at 435-462-2954.

FOOD SERVICE INFORMATION

Breakfast and lunch will be served at each of our schools daily. Students should come to school prepared to pay full price for breakfast and lunch unless you have received notification from our office that your student qualifies for free or reduced-price meals for the 2026-27 school year. **A new application is required each school year.** For students that qualify for reduced price meals, breakfast will cost \$0.30 and lunch will be free of charge at all schools. The cost for full-price meals are as follows: Elementary - breakfast \$1.35, lunch \$2.00; Middle School - breakfast \$1.60, lunch \$2.25; High School - breakfast \$1.85, lunch \$2.50.

Much of the funding our district receives for education is based on how many students qualify for free or reduced price meals each year. Please complete the Free and Reduced Meal Application to see if you qualify. You may be surprised to find that you do qualify, which in turn will help the entire school district. Applications are now available through LINQ at <https://linqconnect.com/main>. A [Help Document](#) is available to guide you.
