**Harrybilt Engineering are proud to present the**

## **FoldAway Rail Grab**

The latest addition to our Rail Grab Family.

Folding out to 6m operational length whilst collapsing down to under 2.5m transport length. A simple, reliable, yet weight and cost effective option.

Developed in collaboration with our customers, this new option complements our existing Fixed Beam and Hydraulically Extendable solutions, expanding the versatility of the Rail Grab Range.

**The Rail Grab range also includes;**

**Light Weight Rail Grab**

**Extendable Rail Grab**

**6m Rail Grab**

An Australian owned manufacturing business located in Ballarat, Victoria since 1985.  
We specialise in smart innovative design solutions and technology for rail infrastructure, commercial and individual applications.
