

CLEANING CHECKLIST

WHAT SHOULD I EXPECT WHEN HIRING A CLEANER FOR MY HOUSE?

Take into consideration no two house cleaning requirements are the same and the home cleaning requirements may vary according to your needs but here is a general checklist.

BATHROOMS, TOILETS OR ENSUITE CLEANING

- Cleaning of tiled surfaces with particular attention to showers with the removal of mould from tiles & grout. Shower tracks are cleaned.
- Clean toilet
- Clean vanity outside (taps, sides and doors).
- Clean mirrors
- Vacuum and mopping of floors
- Light switches, power points and toilet roll holders are cleaned and free from marks, fingerprints and dust.
- If there are any towels they are folded neatly.
- Bins are emptied

KITCHEN AND/OR LAUNDRY CLEANING

- Cleaning bench tops, including cupboard doors, sides & paying particular attention to cupboard kick boards. Dusting & wiping down of shelving.
- If there are dishes in the sink, they are washed.
- Cleaning stove & Stovetops (within reason). - OVENS USUALLY ARE AN ADDITIONAL CHARGE
- Kitchen & laundry tub is cleaned.
- Stainless steel is properly cleaned & shiny.
- Skirting boards are cleaned
- Floor is vacuumed and mopped
- Light switches and power points are free from marks, fingerprints and dust.
- Microwave is cleaned inside and out
- Front of fridge/freezer cleaned
- Bins emptied

CLEANING CHECKLIST
