

MOVING CHECKLIST

PRIOR TO MOVING DAY

- Sell or donate any items that you do not want or need.
- Call your utility and services companies to determine a discontinue date.
- Complete all the repairs that are necessary (for renters) or listed on your inspection report (for homeowners).
- Set up installation/start-up dates for utilities in your new home (gas, electric, water, etc.).
- Set up installation dates for TV, phone, and internet services.
- Contact a moving company or reserve a truck.
- Contact a cleaning company that specialises in move-in/move-out cleans and end-of-lease cleans.
- Begin collecting boxes (check at supermarkets, newsagents, etc.).
- Purchase packing supplies, packing tape, large felt-tip markers for labelling, bubble wrap, and newspaper for wrapping.
- Make arrangements for pets and children for moving day.
- Make arrangements for pets and children for moving day.
- Contact Australia Post to set up mail forwarding to your new address starting on moving day.
- PACK**

POST MOVING DAY

- Update your vehicle registration and licence details.
- Update your address details on the electoral roll.
- Change/update your insurance providers.
- Transfer all medical records, prescriptions, and school records.
- Alert your bank(s) and any other financial institutions of your new address.
- Give your friends and family your new contact information.
