Old Business:

- Tried dedicating funds to the tables and chairs in Edgewood. Owners of business in Edgewood want a more permanent solution (i.e., concrete tables or chairs). Abby to look at solution for bolting tables and chairs to the ground. Estimates for concrete tables and chairs forthcoming.
- Edgewood Garden Club liked the presentation that was given a few weeks ago. An honorarium was dedicated to Fresh Water Land Trust on behalf of the Homewood Beautification Board. Ben will provide the presentation to the board for future use.

New Business:

- Sam Bokatzian is working on the gateway grant. More to come soon regarding that update.
- Need to find out who is currently keeping up with the Gateway signs. Executive team to reach out to city to confirm.
- 3rd Quarter Beautification Award needs to be nominated - Little Professor, Pebblehurst was also a suggestion.

- Ravi brought up idea of creating sub-committees within the Beautification Board. Example – Flower Committee, Street Sign, Holiday Decorations, Gateway Signs, etc. He will be asking the board for their individual passions in hopes of creating these committees.

City Council Update:

Councilor Sims was unable to attend today's meeting. He'll provide a Council update at our next meeting.

Next Meeting:
