- Loan/share players must sign a roster addendum for the new team prior to playing with that team. Roster addendum is available with the facility supervisor.
- Roster will be locked after the final week of the regular season. Players may not be added for playoffs.

Court Regulations

Net Size	Serving Area
7'11"	30' Wide

- The serving area will be provided behind the base line on each court side.
- A service violation will occur if the server's foot touches the line before contact with the ball.
- Any ball that comes in contact with any part of the ceiling will be fair as long as it does not cross or touch the net, provided that the ball remains in the involved team's court and they have plays remaining

Game Rules

- A grace period of 5 minutes will be allowed.
- All games will be played by rally scoring rules.
 - Every time the ball hits the floor, a point will be awarded.
 - There will be a point awarded with every side out, i.e. a point will be awarded every serve.
 - If the serving team makes the point, they will retain service.
 - Serves may be played off the net as long as the ball goes over the net to the opposing team's side.
- An official match shall consist of three games. The first team to win two will be the winner of the match.
- All games will play to 25 points, win by 2 points (whichever comes first). The third game, if necessary, will only be played to 15 points.
 - A team must win by 2 points or cap at 30 points.

- A team shall consist of 6 players but may begin a game with 4 players.
- There must be at least 2 females on the court at all times.
- At the moment of the serve, all players except the server shall be within the team's playing area and have contact with boundary lines or center lines, but no part of the player's body may be outside those lines. When a side out is awarded to a team, that team shall rotate clockwise one position (front row rotates right, back row rotates left).
- A player must receive the serve by bumping or setting. Spiking the ball prior to this will be called "attacking the serve" and will result in a point for the serving team.
- First service will be determined by the winner of the coin toss. The other team will have the choice of court side. The second game will begin with the original first game receiving team serving first. The third game will be determined by a coin toss.
- The player serving will receive one chance to serve the ball in play.
- Service may be performed underhand or overhand as long as the ball makes contact with the body only once (no double bump).
- **Substitutions:** Substitutions may take place at the coach's discretion during rotation only.
- **Time outs:** Each team is limited to two 60 second time outs per match. The timeout will begin once recognized by the official and end when the official signals.
- **Intermissions:** The time period between games will be at the official's discretion. Play will begin when he/she signals.
