SPRING REGISTRATION / SPRING RECITAL

A lot is going on the final days of the semester! Spring recital costumes will be ordered at the end of December; once ordered, they can't be returned, only exchanged. Therefore, you must make sure your child likes the class they are in since we can't refund the money paid; most all classes have different costumes. **If your child is unsure about their current class, please ask us about trying another class in the final days of the semester.**

- Spring Registration
 - We hope to keep the same schedule, but we may have to make a few changes to meet demand and accommodate any changes in our dance staff availability.
 - We will communicate with you directly if we have to make changes.
 - Please notify us of any CHANGES for your family by Dec 8th. You do NOT have to tell us if you are planning to stay. This includes:
 - class changes / additions
 - withdrawing from dance program
 - YOU MUST COMPLETE THE WITHDRAWAL FORM TO NOT HAVE JANUARY TUITION DRAFTED.

- Current students do NOT have to come in to register again; their spot is saved in class unless you need to be measured for dance shoes OR if your child did not get measured for recital costumes during class.
 - Shoe Fittings: we are only conducting fittings for ballet, jazz, and tap shoes during registration windows.
- PAY-IN-FULL DISCOUNT
 - Please email Ms. Kaitlyn if you wish to pay in full for 4 months of Spring tuition for a 10% discount by Friday, 12/12/25!
- Recital Costume Measurements
 - I know it may seem strange to measure this early, BUT some costumes take weeks to get in. I understand your child is going to grow between now and mid-May. We do our best to round up with measurements, and we almost always get costumes in early enough to get bigger sizes if needed.
- Recital Packet
 - I hope to have the first draft packet to you by the end of the week.
 - PLEASE READ THE INFORMATION CLOSELY. I know it's a lot. The Spring Recital is a big commitment with both time and money. It is NOT required to participate in order to continue dance class.
 - Please let us know if you are planning to keep up class, but not participate in the recital.
 - Please forward any questions or concerns you have to either myself or Ms. Kaitlyn
