

INFORMAL REHEARSALS SCHEDULE

All scheduled dancers must arrive by check-in time. Arrive wearing fitted, all black dancewear, pack ALL shoes to perform in, & change into dance shoes after check-in. Dancers are dismissed after their last rehearsal. Dancers with a long gap between routines may wait in the lobby OR leave and come back (must check in again upon return). If your child is in multiple routines and your lobby review overlaps with stage time, it's OK - stage time is priority.
