# Huntington Beach Sports Hall of Fame

Established to recognize those who have achieved exceptional athletic recognition  
while maintaining personal and professional growth

Dear Community:

What an exciting adventure! Imagine our Inaugural Class was inducted into the Huntington Beach Sports Hall of Fame (HBSHOF) early in 2025. Those inductees were extremely accomplished in their fields and earned the recognition that we gave them as part of a lifelong series of awards and achievements.

The 2026 Class is just as exciting! With an archived pipeline with well over 200 eligible men and women with a Huntington Beach base all extremely qualified in their own rights, in their own sports and their own lives being considered for ultimate induction into the HBSOF.

Please join us February 1, 2026 at the Huntington club 2 PM to 4 PM. Enjoy a now famous brunch buffet meet some outstanding young men and women from the past, the present and some yet to be recognized.

Last year we were blessed with Steve Garvey and his daughter, a major talent in her own rights, acting as MC's. The event had 200 people in attendance and marked yet a new chapter in the history of Huntington Beach California, DBA Surf City USA. This year we have as our MC in Olympian Ann Meyers Drysdale, herself inducted into multiple professional sports categories.

Table of eight only \$500... please join us. We would love to greet, entertain, recognize and send back to their accomplished lives the 2026 class with your applause.
