CLIENT Mrs		NOTES	
DRAWING  LANDSCAPE CONCEPT PLAN	DATE 29/01/2022		<small>Note: Contractor to inspect site &amp; verify all dimensions &amp; levels prior to commencing works &amp; to be aware of underground services. Location of services to be proven on site and should not be used as construction drawings. All dimensions and heights should be checked prior to construction. Where necessary, all figured dimensions should be used in preference to scale. Any on-site alterations by the contractor should be confirmed with ABCORP before proceeding. The contractor is required to outline construction methods to the client before the commencement of works as well as identifying any engineering or permits that will be required. This drawing is the property of ABCORP until paid for in full by the client. © Drawings are Copyright of ABCORP</small>
