YOU RESCUED LIVES!

IMPACT REPORT 2021
YOU

RESCUED, LOVED AND CARED FOR THE IMPOVERISHED CHILDREN OF HAITI AND MET THEIR GREATEST NEEDS.

You have saved countless lives through your generosity, having invested in the untold stories of a brighter future for thousands of these children.

Your gifts have restored hope, healed the suffering, educated young minds and instilled the gospel of Jesus Christ.

Thank you for being a part of the Danita's Children family!
Danita’s Children Medical Center never closed its doors during 2021 and is a refuge of hope and healing for every parent and caregiver who brings their sick or malnourished child for care.

While being treated medically, the children and their families also receive the emotional and spiritual comfort as the staff shares the Gospel and the love of Jesus Christ.

All 10 students from the class of 2021 passed their official government exam and graduated high school!

Many of our graduates are using your example and giving back! Three of our past students graduated from vocational school in 2021. Two are working for different organizations in Haiti as plumbers and one is working with Danita’s Children. We also had two of our past graduates start nursing school in 2021.
YOUR SUPPORT PROVIDES NOT ONLY EDUCATION TO THESE CHILDREN, BUT ALSO AN OPPORTUNITY TO BRING HOPE AND CHANGE TO THE COUNTRY.

Additionally, you have met the school student’s nutritional needs, helping them maintain focus in the classroom. School supplies, including bags, books, pens, calculators, notebooks, and more, were distributed throughout the year because of you.

Your consistent gift of generosity has provided quality education to impoverished children who would not otherwise be able to receive an education due to costly school fees.
YOUR SUPPORT WAS CRUCIAL IN SAVING LIVES ALONGSIDE OUR OUTREACH PARTNERS, THE BAIE D'ORANGE COMMUNITY

The Danita’s Children Medical team made several critical trips to provide life-saving medical care, trained the local nurses, and shared the gospel of Jesus Christ to hundreds of families and children.
The dedicated kitchen staff oversees the Feeding Program of Danita's Children diligently, preparing and serving meals daily to all the children in our school and our Children’s Homes. 192,000 meals were cooked and consumed.
DUE TO YOUR SUPPORT OF THE HOPE FOR HAITI WORSHIP CENTER, HUNDREDS OF FAMILIES AND CHILDREN RECEIVED GOD'S MESSAGE OF LOVE, RENEWAL OF HOPE, AND SPIRITUAL HEALING...

The Hope for Haiti Worship Center continues to provide a place of spiritual guidance and fellowship for our active congregation at Danita's Children. The Church is truly a refuge of hope, allowing them to build a closer relationship with Christ while receiving discipleship and encouragement.

Our Church pastoral and ministry staff have blessed our children with biblical truths that build a genuine strength of character that will prepare them to live successfully as adults.
Our around-the-clock nursing staff provided nurturing care and Christ’s love to these precious children of God. They professionally ensured that each child had the appropriate medical attention for their unique need and disability.

Your support has ensured that each child is held in comforting arms, sung to, prayed with, fed, played with, and nurtured in countless ways. It is the goal of every staff member that all of these unique children of God know they are loved and cherished as His own.
YOU MADE AN AMAZING DIFFERENCE IN 2021

We are humbled by your prayers, gifts and faithful support. Thank you so much for being part of Danita’s Children family and for making 2021 an incredible year!

PRAY

Please join us in prayer that the children in need today will be saved from suffering and that their souls will be renewed through God’s love for all eternity. We serve a great God who answers prayers, and He promised to do great things when we ask Him in faith, agreeing with others in prayer. Prayers are a crucial part of helping the people in Haiti be restored both physically and spiritually.
