IMPACT REPORT 2023

YOUR GIFT IMPACTS LIVES!

Thank you for being a part of the work we are doing in Haiti.

Your steadfast prayers and sacrificial giving has touched the lives of thousands of children and families in Haiti. Your support is vital and we are so grateful for you!

Thank you for being a part of the Danita's Children family!

HAITI IN CRISIS

Currently, nearly three million children need humanitarian support in Haiti - this is the highest number on record. Violence, malnutrition, poverty and illnesses such as cholera are rampant. One in four children suffers from chronic malnutrition, the total number has increased by 30 percent since last year*.

OUR MISSION TO CHANGE THAT.

We rescue, love and care for orphans and impoverished children in Haiti, meeting their physical, emotional, educational and spiritual needs so they are empowered to become leaders in their communities and their nation.

MOUNTAIN OUTREACH

One of our goals at Danita's Children is to reach children suffering from malnutrition and other illnesses and provide them with help before it's too late. Our heart is to reach those who are too far to come to us.

We partner with local nurses and health workers in rural communities to support and enhance already existing outpatient malnutrition programs.
