Welcome to Faith Formation at St. Agnes

We welcome sharing in the religious formation of your children. Our program here at St. Agnes is designed to supplement your faith life at home. Our focus is to assist our students in discovering who Jesus Christ is and why it is so important to have a relationship with Him and come to love His Church. Students in the majority of our classes do not have take home books. We utilize scripture reading and reflection, prayer, hands on activities and community service experiences.

We use the Catechesis of the Good Shepherd program for our 3 year olds through 6th grade.

Level 1 process is for 3yr old Preschool – Kindergarten.

Level 2 is for 1st-3rd graders. The sacraments of Reconciliation and Eucharist are discerned and received while children are in the Level 2 process, no specific grade. Discernment is determined by a child's readiness by staff and parents.

Level 3 process is for children in 4th-6th Grade.

We have three beautiful atriums designed for this unique, hands-on process that you are welcome to tour.

Our Confirmation process is a two year journey beginning in 8th grade with the Sacrament of Confirmation being celebrated in the spring of our candidate's 9th grade year. A parent or sponsor is required to attend many of our 9th grade sessions with their candidate. We require completion of a 7th grade process before entering the Confirmation process.

We have a youth group for students to join beginning with their freshman year in school. Faith sharing, retreats, service opportunities and fun activities are all designed to assist your teens in growing closer to Christ and to give them a great opportunity for Catholic gatherings with their peers.

In order to accommodate family schedules we offer classes at various times. The schedule is listed on the back of this letter. We do ask for a tuition fee in order to offset the cost of our program. While we are aware that no one can put a monetary value on the gift of faith, formal religious instruction in the parish setting is not without cost. If you need assistance with this cost please notify Father Nate or Iris Winiarski. This remains confidential information.

Attached are registration and health forms. Please give us a call or email to make an appointment with us so that we can meet you and answer any questions. We look forward to meeting with you and being with your family as we grow together in faith and learn how to share it with all of God's family.

Together in Christ,
