

Testimonial

Attending Chamber mixers has opened doors to many valuable experiences, contacts, and exciting opportunities. The most notable one for me was the Formula Fun Business Mixer hosted at the Penticton Speedway. The driving experience was top notch, and the networking fostered new, long-lasting relationships. As a result, I am now rolling through my rookie season as a proud member of the Penticton Speedway Team in the Hornet class! A newly discovered passion realized directly through my membership with the Chamber.
