### Tiny hands, big creativity!

Our little *Century Youth Learning Center* artists have been crafting up a storm this summer! 🎨❤️

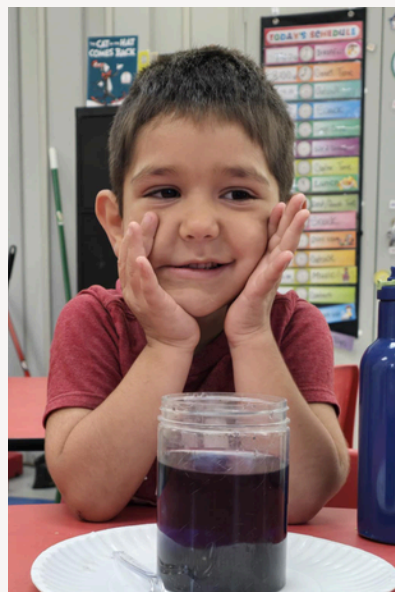

# Happy 4<sup>th</sup> of July

✨ Stars, stripes, and a whole lot of fun!

Our *Century Youth Learning Center* campers turned craft sticks, paint, and stickers into their very own American flags—perfect for celebrating Independence Day. It's still the 4<sup>th</sup> of July in our book ❤️🤍💙

❤️🤍💙 **Red, White & BOOM (in a jar)!** 💙🤍❤️

In honor of the Fourth of July holiday, our Century Youth Learning Center campers explored the magic of science with a flame-free Firework in a Jar experiment!

With only water, vegetable oil, and red and blue food coloring, these sweet kids discovered how a simple reaction can create a burst of color that's just as dazzling as real fireworks. ✨

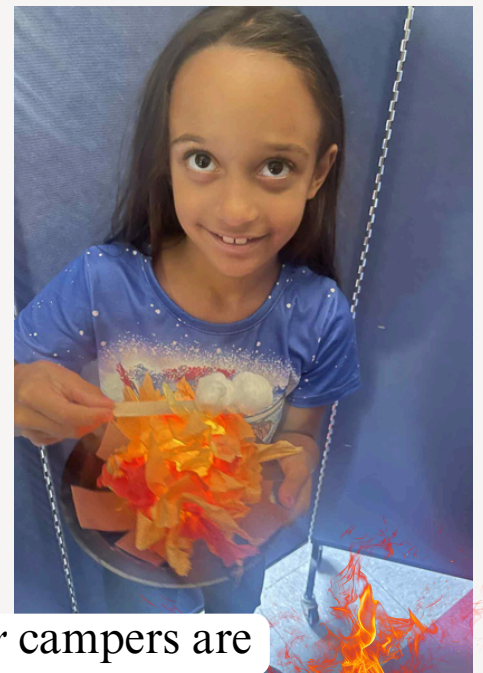

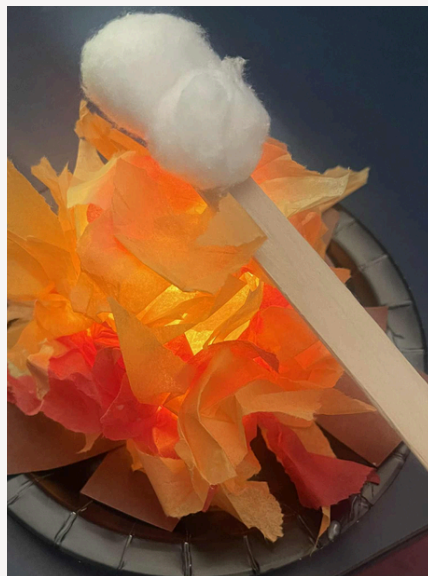

# Keeping Up with Camp Fire

**Bear-y cute masterpieces in the making!** 🐻

Our *Century Youth Learning Center* campers are at it again with crafting—now molding clay into the most precious little bears. These kids had the best time bringing their fuzzy friends to life!

These *Century Youth Learning Center* campers are glowing with inspiration—crafting sparks and letting their light shine bright!

**Summer camp is off to a great start.** 🔥
