Century Youth Learning Center's VPK Class of 2026 proudly turned their tassels and officially graduated! 🎓

Camp Fire congratulates these amazing graduates as they head into kindergarten this fall. It has been a true joy having them under our wing over the past year and watching them grow, learn, and develop into the bright young kids they are today. While we are sad to see them go, we are even more excited to see where their next journey will take them.

A special thank you to our dedicated staff for making the ceremony possible, to Your Vision Decor By Sherry for the beautiful decorations, and to Mrs. Margaret McCann, William Joyner, and Donna Joyner from New Vision Church for providing seating for the event.

"Donuts with Dad" was a hit at Century Youth Learning Center 🍩💙

Our VPK, one and two year old classes kicked off the morning with donuts galore and quality time.

Thank You TO OUR AMAZING TEACHERS

Teacher Appreciation Week was filled with gratitude all week long!

★ **Monday** – Staff enjoyed a **biscuits and gravy breakfast** sponsored by *Mrs. Margaret McCann*.

★ **Tuesday** – “**Nacho Average Teacher**” brought a *Cinco de Mayo* celebration with a taco bar for the staff to enjoy.

★ **Thursday** – A sweet **parfait bar** sponsored by *Ms. Diane English*, mother of our Site Director.

★ **Friday** – The week wrapped up with **Bundt cakes** sponsored by *Mrs. Margaret McCann*, Target gift baskets gifted by the Director, and a sub-style lunch provided by the Director and Assistant Director from *The Sandwich Deli*.

*The wheels on the bus went round and round all the way to
Byrneville Elementary 🚌💛*

Our VPK class from **Century Youth Learning Center** enjoyed a special field trip exploring classrooms and meeting kindergarten teachers. They are already looking forward to starting kindergarten this fall, with big smiles, big dreams, and even bigger excitement for what's ahead 🇺🇸🌟
