First Day of School in
Escambia County

*Last-day-of-school nachos and play time at our **Longleaf Elementary School** afterschool program!*

School's out for summer and Camp Fire's **Scenic Heights Elementary** afterschoolers are jumping for joy....quite literally. ☀️

Thank you to those who pitched in to make our last-day-of-school bouncy house happen. We couldn't think of a better way to end off such a fabulous year! ❤️

Keeping Up with Camp Fire

The wheels on the bus go 'round and 'round, all the way to **Byrneville Elementary School!** 🚌🌟

Century Youth Learning Center recently took its graduating VPK class on a field trip to tour their future stomping grounds, meet their soon-to-be teachers, visit their new classrooms, and get excited for starting kindergarten this fall!

Camp Fire wishes these cutie pies a fantastic and safe summer. We can't wait to see you guys again soon—this time as big, grown-up kindergartners! ❤️🍓

Aloha, Wild & Wise Century Youth Learning Center summer campers! 🌺 We are happy to have you here! Buckle up for a great safari ride of a summer. We can hardly wait for the fun adventures to come.

We started off summer camp season with making Wise Ole Willie keychain crafts (resembling the Wise Ole Willie summer camp mascot, an owl). 🦉🎨

Happy
Mother's Day

Mommy & me at Century's **Mother's Day Tea** 🌸

Century Youth Learning Center's annual Mother's Day Tea event was nothing short of spectacular. Snacks, crafts, and cuddles. What more could you ask for?

Pictured are our Camp Fire mamas + grandmas with their little teapots. How cute are they? We hope all moms had an extra special Mother's Day this year. ❤️
