**Our Century Youth Learning Center kids lit up the day  
for Lights On Afterschool (in October)! 💡❤️**

They showed their gratitude in the sweetest way — holding up pictures that share why they love their afterschool program and teachers. From learning new things to making memories with friends who feel like family, there's so much to be thankful for after the school day ends!

The kids and staff from Century Youth Learning Center had a frightfully fun time at the **Trunk or Treat** event at **Pensacola State College's Century Campus!** 🎃

From creative costumes to candy galore, it was a night full of laughter and community spirit. Thank you to everyone who made this Halloween celebration so special! 🍁 🍂

Spooky snacks and sweet smiles everywhere! Our **Pre-K and 2-year-olds** at Century Youth Learning Center loved celebrating Halloween with treats, adorable costumes, and lots of laughter. 🍁 ❤️

Falling for fun! The kids from Century Youth Learning Center had a wonderful time at the Century Health and Rehabilitation Center Fall Festival, enjoying ring toss and lots of laughter. Pictured are the cake walk winners! 🏆

A heartfelt thank you to **Mrs. Linda Jackson**, *Activities Coordinator at Century Health and Rehabilitation Center*, for hosting such a terrific event! 🍁🍁

From **doctors and construction workers** to **firefighters and police officers** — our students celebrated *Community Helpers Week* by dressing up as the future heroes they aspire to be!

Our Century Youth Learning Center after schoolers turned simple jars into glowing **fall luminaries** 🍁✨

A bit of creativity, some hands-on fun, and plenty of autumn spirit—these jars prove the season shines brightest when we make it together.

*Comfy, cozy, and oh-so-cute — Pajama Day was a dream come true for our tiniest learners! Century Youth Learning Center's 2- and 3-year-olds had an absolute blast! zzz ✨*

# Keeping Up with Camp Fire

Congratulations to our Century Youth Learning Center after-school superstar, **EmmyLou**, on earning all A's! Your hard work is paying off and shining bright, and your dedication truly shows. 🌟📚

## 🎳🌟 Strike Up Some Fun! 🌟🎳

The kids at **Century Youth Learning Center** had a blast with glow stick bowling, turning water bottles into glowing pins and brightening the lanes with colorful lights!

Huge thanks to local **Escambia County Fire Rescue** for visiting **Century Youth Learning Center**. Our kids had an amazing time learning about fire safety, exploring the tools, touring the fire truck, and of course — spraying the water hose like junior firefighters!

Special shoutout to *Lieutenant Wilson* for making the visit extra memorable. We appreciated him. 🙌
