Meet the **OWNER**

My name is Fatoumata Koffi, but you can call me Fatou or Faith! I am the proud owner of Braids by Faith and have been deeply passionate about hair care for over 25 years. My journey began in Africa in 1997, where I mastered braiding techniques, twists, and professional-quality weaves.

In April 2017, I earned my cosmetology license from Hair Academy, and I have since expanded my expertise by studying trichology and the causes of alopecia. This knowledge allows me to better understand scalp conditions and promote healthy hair growth for my clients.
