WRITTEN AND ILLUSTRATED BY FAYE STEVENS

Lily and the Yellow Umbrella is a joyful tale about a girl who sees the life in an old umbrella. The umbrella gets turned inside out, buffeted by the wind and rain, and even run over by a van. No matter how broken the umbrella gets, Lily thinks that it is an amazing find, which has lots of uses... By the end of the book, Lily even gives it new life by turning it into a new hat!

An uplifting and warm story, Lily and the Yellow Umbrella teaches children about resilience and recycling in a light and playful manner.
