

America for Christ

“...the care of all the churches.” II Corinthians 11:28

SEPTEMBER--2025

Dear Praying Friends,

Thank you so much for your faithful support of our ministry through your prayers and giving! Each soul we reach and each life that is changed through Christ is fruit for your account.

AMERICA FOR CHRIST MINISTRIES...

In August, we focused on further establishing the church plant in Arkansas. We continue to help churches around America find qualified pastors to lead them. There are hundreds of independent Baptist churches across the nation without pastors. In September, I will travel to California to preach at several churches and to oversee our annual Men and Boys' Special Forces Conference. God has greatly used this conference for 15 years to stir the hearts of men and boys for revival. This year's theme is, "Yielded Men."

WINNING SIDE BAPTIST CHURCH...

In August, we saw many souls come to Christ at the church and through the church's ministries. We praise God for the 400th soul trusting Christ as Saviour through our jail ministry. We also had several first-time visitors come to our services. On August 31, the church had its first service at its new location. We are leasing the building for one year at a slight additional monthly cost than our previous building. The building is in great condition, but we will need to do some improvements as we are able in the future.

MISSIONARIES TO AMERICA...

Jesus said to, "Go ye into all the world, and preach the gospel to every creature." (Mark 16:15) Of course, America is in the world and desperately needs Christ. The mission and ministry of America for Christ is still the same—to plant new churches; to help church planters start churches; and to help keep existing churches from closing. Just like a missionary to a foreign country, our ministry is ongoing and in need of continual support. There are great expenses in starting churches, in traveling to help other churches, and in taking part in Gospel crusades, etc. We do not take a salary from our church plants. Your faithful support allows us to continue to get the Gospel to our nation. Thank you.

PRAISE AND PRAYER...

We are grateful for souls saved, and for God's provision and safety while traveling. We are in need of at least ten more supporting churches for our ministry. Please pray for safety as we travel and for the blessings of God on our labors for Him. Thank you for your prayers, friendship and support. We are praying for you and hope that God continues to bless you in a mighty way. Keep up the GREAT work!
