YOUR MISSIONARIES TO PAPUA NEW GUINEA

August 3, 2026

ONE MORE THING NEEDED

God gave us the burden and then the vision for Morehead Baptist Church and Bible School. You saw the vision, you gave an offering, you bought the tools, and you continue to give encouragement.

WHAT MORE DO WE NEED?

As the Hymn writer wrote in "Brethren, We Have Come to Worship"

**...All is vain unless the Spirit Of the Holy One comes down;
Brethren, pray, and holy manna Will be showered all around.**

WHAT MORE DO WE NEED?

We Need The Power of God!

Most of our equipment is now in Morehead, and the containers of building and ministry materials should be on the ship within two weeks bound for Daru and Morehead. Brother Jared and Weta have been in Morehead for the past 2 months milling timber and preaching for our small fellowship. **There have been 6 who have received Christ as their Saviour at the altar in the month of July.**

Tomorrow I intend to go back up the river and through the woods, cutting trees off the road, to get back to Morehead. It is a 200km journey through jungles, swamps, and savannas. We have 4 new villages to drill in in the next couple of weeks before the next shipment arrives.

Please pray for Masu, Roku, Gu-nana, and Yo-kwa villages.

They have already opened their village doors to us, and we want to preach the Gospel to them also.

Mark 1:38 "And he said unto them, **Let us go into the next towns, that I may preach there also: for therefore came I forth.**"

Expecting an Harvest,

Jason and Ana Russell
