YOUR MISSIONARIES TO PAPUA NEW GUINEA

March 27, 2026

So Much to Praise Him For!

At this very moment I am sitting in the Brisbane airport waiting for our next flight back up to Papua New Guinea. We returned to the USA for 2 weeks to give our daughter away in marriage to Mr. Aneesh Ankem. Aneesh is from India, and they plan to return there in the coming years for ministry. Though it was a whirlwind trip, it was good to see all of our children, our grandchildren, our parents, and even my two brothers.

Though it is always sad to say, "goodbye," we are excited about our ministry in Papua New Guinea. Lord willing, we will spend **Resurrection Week** with our mainland churches in the Wipim area. I will preach for them there from Wednesday through Sunday. Shortly after this, I will make my way to Morehead to begin clearing land, milling timber, and building a house for Ana and I to live in while ministering in the Morehead villages.

We praise God for 1. Two portions of land that have been offered, 2. For an urgent financial need that was met, 3. A barge that will take our equipment and materials to Morehead, and 4. For your prayers for this upcoming work. The next several months will be **physically and spiritually labor intensive. We need your prayers and even your physical help.** If you have some construction abilities, this would be your chance to come help us. **We hope to begin building in July-August.** If you are interested in making the journey, please send me an email so we can begin the conversation of what you would need to do to come over and help us.
