ASSISTING CHURCHES IN AMERICA TO PLANT CHURCHES IN AMERICA

November / December 2025

Dear Praying Supporters,

Greetings! Merry Christmas and Happy New Year to all of you. As we start our 23<sup>rd</sup> year with the Reseeding America Ministry, Jennifer and I are so grateful for your friendship and partnership in our ministry of church planting and church restoration. It has been a wonderful year, and we thank the Lord for the opportunities God has given to serve Him in 2025. Looking back on the church planting projects, church restarts, mission conferences and Reseeding America Sundays, we were able to be with churches in 20 states across our nation this past year. My wife and I want to thank you for your prayers and support for us.

We are also praising the Lord for our church planting family at BIMI Reseeding America Ministries. Presently we have 58 USA missionaries who are planting churches or restarting churches in 30 states across America. In addition, we also have five missionary families who are on deputation to plant churches in 2026 and 2027. In 2025, God blessed two of our church planting families with permanent buildings for which we are so thankful.

This past year I have had to wear two hats and maintain two different roles. I continue being the USA Director of the BIMI Reseeding America Ministry, and this past year I have also been serving as interim Director for the BIMI Far North region. The Far North includes all of Canada, Alaska and Greenland. I have learned much about this region and about our missionaries working in large northern cities as well as very remote areas. Presently we have 38 missionaries ministering or soon to minister in the Far North.

Jennifer remains my faithful partner and assistant in our ministry. I realize more each day that I could not do what I do without her help. She takes care of many of the behind-the-scenes tasks in our ministry for which I am grateful. She also heads up the BIMI MK ministry where she is in contact with our mission agency children who are stateside going to college. We enjoy our own children and are amazed that many of our grandchildren have "suddenly" become adults! We pray that you will have many good times with your family over these special holidays and days to come. May God bless all of you.

Your partners in the Harvest,

Bob and Jennifer Larson
