

Dear Pastor,

My family and I just wanted to thank you for your continued prayer and support.

The months of February and March have been extremely exciting to see the Lord working in our church.

In February, we had our highest day so far, with 70 in attendance. Then in March we had 3 Sundays in a row with 57 (on the dot) in attendance, which was one of our highest days. And somehow, we hit that number 3 weeks straight with each week there being quite a few different people than the week before. Then finally, on the last Sunday of March we broke that 3 week streak with 59 in attendance!

We have been seeing God continue to increase our averages as a church with more and more people starting to be faithful and invite others to church as well.

We have also had around 7 salvations during this time. Some from personal soul winning and others from being a visitor on a Sunday and getting saved after the service.

Please continue to pray for God to open up a door for us to have a more permanent location as we are currently meeting in 2 different locations. And also, please pray that there would be a way for me to be able to switch to full-time pastoring as the Lord sees fit. I truly believe we could grow even more if I was able to put more hours into our church and not have to work an outside job.

We want to thank you and your church for helping this ministry get started, and we want to give God the glory for all that He has done here in Rialto, California.

Sincerely,

The Peterson Family
