CAMBODIA | AUGUST 2026

Dear Praying Friends,

Furlough News

The past three months have flown by! We arrived back in the US for furlough at the end of May and have been traveling to our supporting churches to give them an update of our life and ministry in Cambodia. We have traveled to meetings in New Mexico, Colorado, and Texas the past 3 months and will now be in California through November. We have been blessed and encouraged through the time we have spent with our supporting churches and pastors. It is such a blessing to see churches faithfully proclaiming the Gospel in their communities. Please pray that God would use us to be a blessing to churches and that more laborers would be called to the foreign mission field.

Please pray with us:

- Pray for the spiritual growth of *Socheat, Chantee, Lee, and Bowe, and Srey Neet.*
- Pray that Srey Pov will start going to the Sunday service.
- Pray for our safety as travel on furlough.
- Pray for more laborers in Cambodia.

Ministry News

We are thankful for the Scupham family for covering the ministry in Cambodia while we are back in the States for furlough. Every Sunday morning, they meet with Socheat, his wife, and two older sons. It has been wonderful to hop on a video call with the folks there and spend time fellowshiping and praying together. Please pray that Socheat's younger sister, Srey Pov, and her family will start coming to the service. We are thankful for their steadfastness to the Lord and their continued commitment to assembling together to hear the teaching of God's Word. Bro. Joel Scupham has reported that children continue to come faithfully to both Bible Clubs. Praise the Lord that the work continues in our absence! Please continue to pray for the spiritual growth of the believers and the salvation of the lost in Chbar Mon, Cambodia.
