THE SHULL FAMILY

CAMBODIA | FEBRUARY 2026

Dear Praying Friends,

2026 seems to be flying by! We had a good time celebrating the New Year and our daughter Rylee's 2nd birthday on January 1st. Cambodians celebrate 3 different New Years: International New Year, Chinese New Year (February), and Khmer/Cambodian New Year (April). During Chinese New Year, families take time to honor their ancestors and worship them by burning fake money and cardboard houses. Through this practice the families believe that they can send their ancestors prosperity in the afterlife and win the favor of their ancestors in this life. Pray for the billions of people throughout Asia who are trapped in ancestor worship.

Ministry

For the past 5 months, we have been meeting with Socheat's family every Sunday morning for a Bible study and going to study the Bible with his two sons during the week. Both of his sons have made professions of faith and are now being discipled by Randy every week. Chantee, Socheat's unsaved wife, has been listening very closely to every Bible lesson on Sundays. For the past several weeks we have been teaching about the crucifixion of Christ. This past Sunday, after learning about the Resurrection of Jesus,

Chantee boldly proclaimed that she believed that Jesus is the Savior of the world who died for her sins and rose again! She knew that she could not save herself and was trusting only in Jesus for salvation. What an answer to prayer!

When we first started going to Socheat's house, they had several different alters set up where they would practice traditional Cambodian spirit worship. As we drove up to the house, an ornate alter stood under a large tree at the front of the property. Over the past couple of months, the different alters began to disappear from the house, but the ornate one at the front stayed. This past Sunday, as we drove up, we were thrilled to see that the ornate alter had been removed! When asked why they removed it they said, "We don't want these relics of Satan and the power he had over us on our property anymore. Jesus is the true God who has all power".

Please continue to pray for this dear family. Pray that they will follow the Lord in believer's baptism and be steadfast in their faith.
