Saying goodbye to Srey Neet

THE SHULL FAMILY

CAMBODIA | JUNE 2026

Dear Praying Friends,

Furlough News

We arrived back in the USA on May 26th for our furlough. Over the next 9 months we will be visiting many of our supporting churches to give an update of the ministry in Cambodia. We have enjoyed getting to see family and friends, see familiar places, eat foods not available in Cambodia, and drink Diet Dr. Pepper! Since arriving back in the States we have been able to preach, teach, and share updates in a different church every Sunday. During the past three weeks, we have had the joy of helping teach kids and adults at VBS for three different churches. At VBS this week, we were able to lead a Japanese woman to the Lord! We are thankful for the opportunity to minister in our native language and be a help to churches. If you would like us to give a report, please contact us.

Please pray for us as we travel throughout New Mexico, Colorado, and the Panhandle of Texas during the summer months. Pray that we would be a

blessing to each pastor and church, and that God's people would be challenged to commit themselves to the call of world evangelism. During our furlough, we are praying that there would be individuals who would hear God's call and surrender their lives to give the Gospel in Cambodia as missionaries.

Ministry News

We are thankful that though we are not in Cambodia now, God continues to work. We are thankful for technology that allows us to see and talk with the folks back in Cambodia. While we are on furlough, the Scupham family is continuing the work of teaching, preaching, and evangelizing. Please pray that God would use them there and help them as they continue to learn and use the Khmer language. Please pray that the Cambodian believers would be faithful to attend services and continue to grow in the Lord.

We look forward to seeing many of you in the coming months!

In Christ,

Randy and Naomi Shull

Please pray with us:

- Safety in traveling to different supporting churches.
- More missionaries in Cambodia.
- The Scupham Family as they continue the work in our absence.
- The continued spiritual growth of the Cambodian believers.
