THE SHULL FAMILY

CAMBODIA | October 2025

As we near the end of the monsoon season here in Cambodia, the shifting colors of the rice paddies from vibrant green to golden yellow signal the approach of harvest time. Over the next 7 weeks, workers will busily run the combines and gather in the rice crop from morning till night. There is no time to waste. Any stalk that is not harvested in time will fall into the flood waters and rot.

As laborers in the Lord's harvest, the need for urgency is vital. People need to hear the Gospel! The urgent summons for workers still echoes across the fields. Who will go?

For the past 2 months we have been going to teach the Word to Socheat, his wife Chantee, and twin sons Lee and Bowe (18 yrs). Randy also goes two other times each week to teach the young men. Two weeks ago, after studying with Randy for many weeks, Lee and Bowe called out to Jesus for salvation! Thank you for praying for them. Please pray for their continued growth and for the salvation of their mother, Chantee. Chantee has received the foundational truths about God and sin but has not yet given up all her idols. Pray for a turning "to God from idols to serve the living and true God."

We are thankful for the open door that God has given to Naomi with *Granny*. Naomi continues to go to *Granny's* house for salvation bible studies every week.

Granny says she believes in Jesus, but it seems evident that there has not been a "repentance toward God, and faith toward our Lord Jesus Christ." Pray that *Granny* would come to a point where she fully understands *and* accepts the exclusive nature of the Gospel, and for Naomi to have wisdom as she teaches.

Thank you for praying for our Vacation Bible School. We had a total of 42 kids come throughout the week-long program. We had fun playing games, making crafts, singing songs, memorizing verses, and learning about the life of Jesus Christ. For many of the visitors, this was the first time they had ever heard about the death and resurrection of Jesus Christ. We are thankful that several of these precious children have now started attending our weekly Kid's Bible Club. Pray that the seed that was planted would bring forth a harvest of souls!

In November, Randy will be teaching a session at the "Faithful Men's Conference" being hosted by Good News Baptist Church in Phnom Penh.

In December, we are looking forward to hosting a special Christmas outreach for our community where we can explain the true meaning of Christmas and joy that comes from knowing Jesus!

With gratitude,

Randy and Naomi Shull
