

THE STALNAKERS

to Nicaragua

July–August 2025

Greetings from the Deputation Trail!

Since our last update, the Lord has graciously allowed us to be in 11 different churches across Virginia, West Virginia, Tennessee, Iowa, Illinois, Indiana, and Arizona. Along the way, we had the privilege of participating in a Missions Conference, as well as a Vacation Bible School. We are grateful to report that 6 of these churches have already committed to partnering with us in support—praise the Lord!

Our family is doing well and continues to enjoy the journey. Time and again, we are encouraged by the kindness of God's people. Thank you so much for your faithful prayers and support. We do not take it for granted and pray that fruit may abound to your account.

We're thrilled to share some exciting family news—Tiffany is expecting! Baby #3 is due in March of next year, and we're so thankful to the Lord for this new blessing. Our whole family is looking forward to meeting this precious addition! ***We would greatly appreciate your prayers for Tiffany's health and strength***, especially with the added demands of travel during deputation. As many of you know, our target departure date for Nicaragua has been January 2026. With the baby's arrival in March, we're planning to postpone our move to the field until after the birth. We remain excited about the work ahead and are trusting the Lord's perfect timing every step of the way.

In mid-August, Tiffany and I flew to Arizona for meetings with two churches while the kids stayed behind with their grandparents. Along the way, we handed out tracts and looked for opportunities to witness. Though the first conversations didn't go far, the Lord opened the door in an unexpected way. Gloria, a rental-car employee who overheard us witnessing to her coworker, approached us as we were leaving the building and asked for one of our prayer cards. She listened intently as we shared the Gospel with her and then bowed her head and prayed to receive Christ! It was very evident that God had already been working in her heart. Praise the Lord for divine appointments!

Till next time,

The Stalnakier Family
