HOW IT WORKS

1. **Register once**
   Travel Together is the sign-up for trips booked on behalf of your campus. Two minutes, and it stays with you.
2. **Request the trip**
   Date, pickup, destination, headcount, return time.
3. **Get the quote instantly**
   The price appears as you enter the trip, so you can size the request against your budget there and then. No email thread, no waiting on a callback.
4. **Confirm it**
   Your department raises a PO or uses whatever purchasing route your campus prefers. We hold the vehicle and invoice after the trip.

THE VEHICLES

From 24 to 57+ passengers. Every vehicle is ADA compliant to the DOT specification. A PA system and an on-board restroom are available on request at no extra cost. Pickups run from your campus and anywhere else you designate. Behind our own fleet sits an affiliate network of 2,000+ operators across California and 4,794 nationwide, so a short-notice athletics trip and an out-of-state tour draw on the same service.

A NOTE ON TIMING

Fall athletics dates and spring field-trip weeks fill first, across every campus in the system. Putting known dates in early costs nothing and holds the vehicle.
