Cal State Campus Resource Sheet

About the portal

Every Cal State campus has its own booking portal for charters and shuttles at the contracted rate. Pronto Corporation (Accelar, Inc. dba Pronto Corporation) is a contracted provider under the California State University systemwide Agreement for Charter and Shuttle Bus Services, C-CSUOO-00012968, running 1 July 2026 to 30 June 2028.

Departments enter a trip, see the price at the contracted rate as they go, and confirm it against a purchase order. No campus needs to run its own procurement.
