

1 JULY 2026 · CONTRACT AWARD

Pronto Corporation selected by the California State University for systemwide charter and shuttle services

The CSU has awarded Accelar, Inc. dba Pronto Corporation an agreement for Charter and Shuttle Bus Services, with coverage proposed for all 23 Cal State campuses.

The California State University issued a systemwide Request for Proposals for Charter and Shuttle Bus Services. Pronto Corporation submitted a proposal covering every one of the system's 23 campuses and was selected by the CSU; the Notice of Intent to Award was issued on 17 June 2026, and the agreement took effect on 1 July 2026.

The term runs 1 July 2026 through 30 June 2028, with five one-year renewal options.

ONE STANDARD ACROSS 23 CAMPUSES

Pronto operates its own fleet in the San Francisco Bay Area. Behind it sits the affiliate network: **445 affiliate operators within 50 miles of a Cal State campus**, 2,000+ across California and 4,794 nationwide. A short-notice athletics trip out of Chico and a multi-day conference trip out of San Diego draw on the same contracted service, at the same standard.

INSURANCE AND RISK

Federal rules require motorcoach and bus operators to carry \$5,000,000 in automobile and general liability. Pronto carries \$10,000,000 — twice the requirement — and every trip runs two layers deep: the operating affiliate's policy first, Pronto's behind it.

Twenty-three campuses, each with its own teams, clubs and calendars. What we committed to is one standard of service across all of them — and a portal for every campus so that standard is easy to hold us to.
