

The goods and services shown are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide.

BASIC PROFESSIONAL SERVICES OF FUNERAL DIRECTOR AND STAFF.....\$2,275.00

This is the basic charge to each family we serve for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of the taxes, licenses, utilities and business expenses necessary to serve the public in a professional manner. Also included in this charge is the consultation with the family, clerical and administrative services, preparation and filing of necessary permits, consultation with the clergy, cemetery, crematory or common carrier, planning the funeral, and placement of obituary notices. There will be an additional charge for the direction and supervision of each service requested or required. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select.

EMBALMING.....\$875.00

Embalming is a chemical process which provides temporary preservation of the body and eliminates certain health hazards. A person licensed by this state must complete this procedure. Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Cash Advance Items:

Sales Tax, Clergy Honorarium, Musicians, Death Certificates, Obituary, Cremation Permit, OBC Installation / Tent & Equip, Cemetery/Crematory Fees, Other Funeral Home Charges

These are just a few examples of Cash Advance Items. There are many more that could relate to the services you select.

MERCHANDISE

We offer many different styles and prices of caskets, and alternative containers from which to select. Since many caskets that appear similar in appearance may differ greatly in quality and construction, we offer the following in order to assist you in making an informed decision.

Protective These caskets are designed by the manufacturer to resist the entrance of air, water and other outside elements. They may be constructed of varying gauges of steel, copper or bronze. There is no Scientific or other evidence that any casket with a sealing device will preserve human remains.

Non-Protective These caskets are not designed by the manufacturer to resist the entrance of air, water or other outside elements. They may be constructed of metal, hardwood or wood products covered with fabric. A complete list of the caskets offered will be provided with this general price list.

Disclaimer of Warranty: The only warranty of the casket or any merchandise sold in connection with this service is the express written warranty, if any, granted by the manufacturer. This Funeral Home makes no warranty, express or implied, including an implied warranty of merchantability and an implied warranty of fitness for a particular purpose, with respect to the casket and/or outer burial container.
