

JULY 2026 NEWSLETTER

"Whatever you do, work heartily, as for the Lord and not for men. Know that from the Lord you will receive the inheritance as your reward. You are serving the Lord Christ." (Colossians 3:23-24)

Go Forth Ministry has been empowered by God to do important work in the Kingdom. As we continue to say yes to His plan, He continues to lay the path before our feet. Though at times it is truly terrifying to answer His call, He always provides, protects and leads.

Most of the time, I do not know the purposes of what the Lord does in the moment; but after the fact, I can see the obvious fruit of what He did. He has a plan, one far greater than what you or I know.

Looking back on the past few years, I am recognizing how rapidly things can change and move when God beckons. Following Him means going at His pace. His pace is the best speed; what a wild ride. In view of this, I also want to make sure that you, our partners and supporters of this ministry, are up to speed as well.

Once annually, Go Forth Ministry will send out a recap of all the work we have done in the past year. This will give you a clear look into our operations and accomplishments, and hopefully offer a more definitive view of precisely what we are working toward. My hope is that you are encouraged when you read it, and able to catch the vision that God has given us.

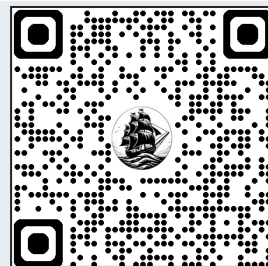

In May, Jonathan Graham and I had the privilege to host a mission team at Faith Hope Love Mission Base in Kaohsiung, Taiwan.

Now, let's recap the last year.

Turn the page to read our recap list. To read the full recap with details and pictures for each project, please visit:

Overall Points of our Work

- Partnering with Jesus. As our ministry vision states, we partner with Jesus in His ongoing world mission. Before I set my hands to anything for GFM, I seek His guidance. If I can't do it with Him, I won't do it. All we do is unto Him and in partnership with Him.
- Focus on Relationship. If you have read recent newsletters, you know this one. God has been telling me for some time to hold relationships at the center of what I do. About one year ago, He was particularly clear that I needed to make this move in overseas mission work—to be more focused on individual people than on a functional outreach plan. Likewise, with our Art and Discipleship projects, the goal is to change hearts for Christ through our relationships with those people. In the past year, I have watched this focus become very central to what I do.
- A New Thing. God makes all things new. I believe the time is ripe for new approaches (as I have written about previously). To reach unreached people, one must think outside the box. We will not be afraid of change as God calls us into it; instead, we will grow to meet the moment He gives us.

2026 ANNUAL RECAP

New Office

For three years, we were blessed with an office space at LincWay in Dalton. In June, we had to part with that space to make room for a new client. With God's guidance, I built a new office space for myself; we are still located in Dalton, now in the same building where we are filming *The Brothers Baer* and pursuing other Art and Discipleship projects. I am grateful to God for our time at LincWay, and I look forward with anticipation to my new proximity to these artistic projects. May the Lord bless this new office space!

Art and Discipleship

Relationships:

- Building and fostering connections with artists and disciples locally
- Hosting the *Go Fish Gathering*

Financial Support:

- Supported *Dear God You Dream In Light* by Evan Zuercher
- Supported music by David Baer
- Building and furnishing creative spaces

Works:

- Began creation of *The Brothers Baer*
- Began developing *Valley of Dry Bones* community project
- Prayer about "creative hub," intersession for young creatives

Overseas Missions

Relationships:

- Connected with many missionaries throughout Taiwan
- Hosted mission teams at Faith Hope Love Mission Base in Taiwan
- Connected with pastors and missionaries in Central and North Vietnam

Financial Support:

- Brother John's tribal ministries
- Vietnam Bible school students
- Renovation of Faith Hope Love Mission Base
- Printing of tribal language New Testaments within Vietnam

Works:

- Hosted YWAM mission teams in February and May, and reconnected in Korea
- November mission trip to Taiwan & Vietnam: smuggled Bibles, did outreach, encouraged believers.

As always, we are so grateful for your support. God has provided for us time and time again, so that we can continue to do the good work He has prepared for us to do. Because we know that He has come through in the past, we can move forward with boldness. May God bless GFM as we do His work, and may His will be done in all things!

In Christ,

Jaren & Katee Baer
